By the early 1940s, Asansol was established as an important industrial belt and thereafter arose the need to boost educational facilities in the area. With such an objective in mind, Prof. Satyakali Mukherjee submitted a proposal to inaugurate a college for the first time in Asansol to the then chairman of Asansol Municipality Mr. Jogendranath Roy and the then S. D. O. Mr. Woodford, I.C.S. This noble endeavor was supported by eminent personalities of the day as well as the general populace, who donated generously for the establishment of a higher educational institution.

Owing to the initiative taken by Mr. G.S. Atwal, a business luminary of the day, the institution came into being on 16th July 1944, with strength of 132 students, enrolled in the I. A. class. Asansol College, as it came to be known, was affiliated to the University of Calcutta. It was originally situated at Atwal Nagar (presently Budha Nagar, Asansol). Later, with a magnanimous donation from Late Banwarilal Bhalotia, the present main building was constructed on an acquired land of 20 bighas. The foundation stone was laid by Dr. Bidhan Chandra Roy. The newly-constructed college building (the present Old Building of the college) was inaugurated by the then Vice Chancellor of Burdwan University, Sri S.K. Guha, and the college was renamed Banwarilal Bhalotia College.

Presently affiliated to Kazi Nazrul University, B. B. College is one of the leading educational institutions in Asansol, providing both general and technology-based education. The college is blessed with a beautiful campus, spacious classrooms, well-equipped laboratories, adequate computer labs, well-stocked libraries and a playground. Besides traditional undergraduate and post-graduate courses in various subjects of Arts, Commerce and Science streams, the college, in tune with the changing needs of higher education, has introduced courses like B.B.A., B.C.A., Environmental Sciences and Water Management, and training courses in dry farming, cultivation of aromatic and medicinal plants, mushroom, lac cultivation, vermi-composting, sericulture and soil water analysis. The college runs three distance education centres of IGNOU, NSOU and MANUU. In 2010, the college was declared as "Centre with Potential for Excellence" by the UGC. In 2011, it received Rs. 50,000 as seed money for the development of Basic Scientific Research (BSR). In 2012, the UGC introduced three career-oriented courses in Functional English, Mobile Repairing and Vermi-composting, which were run successfully by the college for three years. The college has been re-accredited (cycle 2) by the NAAC with grade B+ in 2020. We are confident that, with honest and diligent effort, we will scale greater heights in future.

About the College

Our Old Heritage Building Science & Commerce Block

VISION

The vision of Banwarilal Bhalotia College is to provide comprehensive education to enable the understanding of human values, professionalism, social responsibilities and political awareness; thus inculcating a scientific bent of mind in all sections of students , including scheduled castes, scheduled tribes, other backward communities, economically challenged students and religious minorities, with special focus on female students.

MISSION

- ☑ We aim to provide profuse scope for versatile development of the youth irrespective of caste faith, gender, economical background and religious political affiliations.
- ☑ To provide quality education to the students of all shifts and streams.
- ☑ To Develop academic programmes based on local/regional/national needs.
- ☑ To pursue student-centric learning for self-development and skill development among students.
- ☑ To nature social and environmental awarness and responsibilities among students.
- ☑ To introduced advance technology into our existing academic system.
- ☑ To create a more affable atmosphere in the academic periphery.

CORE VALUES AND INSTITUTIONAL BEST PRACTICES

As much as we encourage diversity in thoughts and ideas amongst members of the B. B. College family, we understand that an organization or individual must abide by certain core values and principles. As an educational institution, these fundamental beliefs guide the behaviour of all members of our family, both within campus as well as in society at large. Thus, it is expected of our students to inculcate these values as defining qualities of their character:

- ☑ Strong work ethics.
- ☑ Positive Attitude.
- ☑ Honesty & Integrity.
- ☑ Sense of responsibility, towards others as well as towards oneself.
- ☑ Self-confidence and the ability to motivate one self.
- ☑ Adaptability.
- ☑ Loyalty.

We believe that our core values are in time with the words of some of the legendary builders of our great nation:

“Education is the manifestation of the perfection already in man”

-Swami Vivekananda

“Earth provides enough to satisfy every man’s needs, but not every man’s greed”

-Mahatma Gandhi

“True teachers are those ones who help us think for ourselves”

-Dr. Sarvapalli Radhakrishnan

We believe that the best practices of our institution find validation in the fact that, each year, numerous students, their number always higher than the previous year, apply for admission to our college. Besides the pursuit of academic excellence, these practices are meant to motivate students so that they are able to develop themselves into educated men and women ready to carve a niche for themselves in society. Some of our best practices include.:

- ☑ B. B. College has adopted a village called Namojamdoba, situated in the district of Paschim Bardhaman, West Bengal. We have put in an honest effort to ensure that our lesser- privileged brothers and sisters become self-sufficient through various practices that the college pilots for their economic and social advancement. For instance, the college has trained the rearing and cultivation of Tasar silkworms, advanced methods of paddy cultivation vermicomposting, and various other activities. Through such community development initiatives, we believe that we are able to make a difference in the lives of those less fortunate than ourselves, and thus, fulfil the responsibility of humanity.

CORE VALUES AND INSTITUTIONAL BEST PRACTICES

- ☑ The administration of the college adheres to absolute transparency in financial , administrative and other areas. Admission is a fair, online process which is strictly based on merit, and in accordance with the Government's reservation policy. All academic and non-academic activities of the college are strictly monitored by various committees under the aegis of IQAC, to ensure smooth and non-prejudiced functioning. The books of accounts of the college are subjected to internal audit by qualified Chartered Accountants which are followed by statutory to ensure financial discipline. Further, all transactions are routed through banks.
- ☑ B. B. College is committed to provide value-based education to the highest possible number of candidates. However, like in the case of any other higher educational institution, we are constrained by rules and regulations set forth by the UGC and our affiliating university. Thus, many interested candidates are not able to enroll themselves to our full-time courses, Various academic, social and financial challenges often-keep large section of our society beyond the purview of conventional modes of education. In order to provide quality education, we have setup additional education centres with proper recognition & affiliation: IGNOU, NSOU, MANUU.
- ☑ We, at B.B. College, believe that there is no room for complacency in the march towards perfection. Thus, we eagerly look forward to our students joining hands with us and adding further dimensions in shaping our College into an educational institution that nurtures and thrives on excellence.

IMPORTANT EVENTS IN THE HISTORY OF B.B. COLLEGE. ASANSOL

Feb 1944	Inaugural meeting on the proposal of opening a college at Asansol
July 1944	Inauguration of the College
Aug – Sept 1944	Affiliation to the University of Calcutta as Intermediate College with Arts Subjects
1945 – 1946	Affiliation to the I.S.C. Standard
1947 – 1948	Affiliation to B.A (Pass)
1956	Recognition as Govt. Sponsored College
1960	Affiliation to the University of Burdwan with B.Sc (Pass)
1960 – 1961	The college was renamed as Banwarilal Bhalotia College.
1961 – 1962	Introduction of Honours Courses in English, Economics, Political Science, Bengali, Chemistry, Mathematics, Physics and Accountancy.
1962	Introduction of Zoology and Botany and initiation of N.C.C. and N.S.S. wings
1968 – 1969	The Evening Section of B.B. College came under Govt.-Sponsored scheme. Introduction of the Morning Section of B.B. College. Silver Jubilee Ceremony was observed.
1975	Introduction of Botany (Hons), Hindi(Hons), Zoology(Hons).
1982 – 1983	Introduction of Hons. Courses in History, Philosophy
1986 – 1987	Introduction of Electronics
1994	Golden Jubilee Celebration. Introduction of Urdu Pass Course.
1998	Introduction of N.S.O.U. Study Centre.
1999	Introduction of I.G.N.O.U. Study Centre. U.G.C. Sponsored Major Course in Environment & Water Management.
2000	Introduction of BCA (Hons.)
2001	Introduction of B.B.A (Hons.), B.Sc., I.T. (Hons.). Pilot Project from Zila Parisad on Non-Formal, Agriculture for Social-Economic Development of Paschimanchal.
2002	Introduction of Post Graduate Course in Physics.
2003	Extension of Boys Hostel 2nd Floor.
2004	Shifting of the Humanities Departments to the New Building. Completion of separate building for professional courses and shifting of B.B.A./ B.C.A. classes therein.
2005	Introduction of B.Sc. Microbiology (Hons.)
2006	Introduction of Geography (Hons.)
2007	Introduction of Medical Unit. Foundation stone laid for Girls' Hostel. Achievement of Gold medals by two N.C.C. cadets in All India Shooting Championship (Mavalankar). Implementation of 'Lab to Land' programme – installation of machinery for “Extraction of Plant Bio-fuel from Jatropha” (DST Project, Govt. of W. B). Accredited by NAAC as Grade-'A' College and declared as 'College with Potential for Excellence' (CPE). Introduction of Internal Quality Assurance Cell (IQAC). Introduction of Sanskrit (Hons.).

2008	Introduction of Education (Hons.) and Urdu (Hons.) in B.A. A research project affiliated by the Deptt. Of Science and Technology, Govt., of W.B. on large scale production of Crude Jatropha Oil & testing its efficiency in favour of B.B. College, Asansol. Workshop on Entrepreneurship Development Training sponsored by U.G.C. and D.S.T., West Bengal. Paper produced & awarded the Best in 15th West Bengal State Science & Technology Congress, organised by Govt., of West Bengal & B.E.S.U., Shibpur.
2009	Successful organization of 10th Inter-District State Athletic Meet & Football Competition. Workshop on Entrepreneurship Development Training sponsored by U.G.C. and D.S.T., West Bengal.
2010 – 2011	The College is declared as “Centre with Potential for Excellence” by U.G.C. Declared as a unit of Basic Science Research (BSR) by U.G.C. Special classes by expert teachers & seminars are organized by different Departments under CPE scheme.
2011	New Girls' Hostel is inaugurated for female students.
2012	UGC sponsored State Level seminar on “Communicative English: Barriers and Solutions”. Three Certificate and Diploma Courses are introduced by U.G.C. One of the N.C.C. cadets (JUO Rekha Maji) participated in the National Games and was awarded Scholarship. Another N.C.C. cadet (JUO Anamika Sadhu) participated in the Republic Day Parade (New Delhi) and won Governor's medal (2012).
2013	Setting-up Community College on Pilot basis (2013 session) by State Govt., with support from MHRD, Govt. of India. 48th Annual Conference of the Institute of Historical Studies. NAAC Sponsored Seminar on Quality Higher Education (21 – 22 March 2013).
2014	Introduction of M.Sc. course in Zoology & M.A. course in Hindi.
2015	Hon'ble Chief Minister, along with President of the GB inaugurate Hindi medium shift in which students will get B.A, B.Sc & B.Com Hons and Genl. Degree.
2016	New administrative building is constructed and the construction of separate building for Hindi medium shift is initiated.
2017	Biometric attendance system was introduced for all Teaching and Non-Teaching Staff. The CCTV surveillance of the college premises was extended. A virtual class room was constructed on the first floor of the New Administrative Building. The college playground was renovated.
2018	The construction of Hindi-shift building was completed in all respects (including water connection, electricity, drainage and boundary wall). Classes for the Hindi shift scheduled to start in the forthcoming session in the new building. A new road was constructed to connect the Hindi-shift building to the college and CCTV was installed for safety and security. The construction of a garden, along with a fountain, facing the Arts Building has enhanced the beauty of our campus. The college has also undertaken a Mulberry Project in joint collaboration with West Bengal Sericulture Department. A new concrete road has been completed in place of the kaccha road in college campus, starting from G. T. Road college gate. A central computer Lab has been constructed inside the college campus. The Lab is utilized for conducting internal assessments online, and for classes whenever necessary.

To create better sports facilities for our students, the college playground was renovated and the drainage system has been improvised so that there is no water logging in the playground.

Paschim Bardhaman District Youth Science fair competition 2018-19 was held on 14th & 15th Sept 2018 in our College and our students from Physics department were awarded first prize.

Student Youth Cultural Programme 2018-19 of Youth and Sports deptt, Govt. of W.B., was successfully organised in our college.

2019-20

The College completed its 75 years and as a part of Platinum Jubilee Celebration, series of year-long cultural programmes, seminars, quiz and sports competitions were organized, along with a Grand Platinum Jubilee Rally (held on 2nd February, 2019).

New Hindi Shift building was inaugurated by Dr. Partha Chatterjee, Hon'ble Minister, Deptt. of Higher Education, W.B, in presence of Sri Moloy Ghatak, G.B President and Hon'ble Minister Law & Labour & P.H.E. Deptt, Govt. of W.B.

Concretization of roads was completed. Green saplings were planted to further beautify our campus and add to its environment-friendly nature. After a lot of hard work, we have successfully conducted online internal examinations for students all semesters. Another Green Generator of 64.5 KB has been installed in addition to the two existing green generators.

2020-21

- ☑ To tackle the lockdown induced by the pandemic, a special portal named "Electronic Resources for Remote Learning During COVID-19" has been generated on the home page of the College Website for the easy access of electronic study materials (including PowerPoint presentations, lecture notes, e-books, video lectures etc.) prepared by our faculty members.
- ☑ To enhance the overall academic standard of the College, one International e-Conference and several other Seminars/Webinars/Workshops of State, National and International level have been organized by different Departments, Library and the College under the aegis of IQAC during this pandemic year. Enthusiastic participation of the teachers and the students made all these efforts successful and encouraged us for future endeavours.
- ☑ Central Computer Lab has been remodelled with a complete setup of 100 computers where the students have their computer practical classes. This Central Computing facility has also been utilised for Internal Exam purpose and for different competitive exams as conducted by NTA.
- ☑ **New Certificate courses have been started for our students along conventional degree courses to enhance the skill and quality of the education of the students.**
- ☑ Some major initiatives have been taken to make the College Campus more eco-friendly (like plantation of trees throughout the year, creating a paperless administrative system & paperless Internal Exam system, installation of rainwater harvesting system, reduction of power consumption, proper waste management, Green Audit etc.). A Nature Club named "Beagle" was formed to enhance awareness and involvement among all the students and staff for a drive towards a more eco-friendly sustainable College Campus along with its surroundings.

Nov 2021

- ✓ **After successfully hosting an international seminar on Sustainable Development, we are going to publish our seminar proceeding, entitled “Revisiting Strategies for Sustainable Development”.**
- ✓ Initiatives have been taken to develop linkages with different institutions where the students of the College have been registered for internships, workshops, job training (like nursing) etc. Some MoUs have also been signed in this regard.
- ✓ **Department of Commerce (Hindi Shift) is going to publish the first volume of its departmental journal- “Brain Bloomers”.**
- ✓ **Construction of new state-of-the-art modern library building has begun in earnest.**
- ✓ **Construction of second floor of our Hindi Shift building has begun to cater to the needs of increasing number of Hindi Shift Students.**
- ✓ **Our entire college campus has been lighted with modern, energy-efficient LED lights, granted by the ADDA authority. This has not only further secured our campus, but also added to its radiant splendour, especially during the evenings.**

After a lockdown of almost two years, B. B. College, like other educational institutions in the state, restarted classes in the usual physical mode. The institution, and all its stakeholders, deserve credit for being able to strictly follow all Covid protocols as notified by the government from time to time. We have been able to return to usual methods of academic, co-curricular and extra-curricular engagements with our students, without jeopardizing the health concerns of our stakeholders.

VARIOUS OTHER NOTE-WORTHY RECENT EVENTS INCLUDE:

- ✓ New canteen has started functioning amidst a beautiful ambience.
- ✓ New paver block road has been constructed in front of the administrative building, to the backside of the canteen.
- ✓ Two new badminton courts have been constructed, one for boys and another for girls.
- ✓ Girls' Common Room has been renovated for providing more facilities to our female students.
- ✓ Central Computer Lab facilities have been further extended with 30 upgraded computers.
- ✓ Number of CCTVs has increased to enhance the surveillance and safety on our campus.
- ✓ Classrooms of the all the buildings/blocks have been coloured from inside to enhance its beauty and cleanliness.
- ✓ Computer Science department has been shifted to Science and Commerce block and a new upgraded computer lab, exclusively for the Computer Science department, has been set up.
- ✓ Two more water cooler-cum-purifiers have been installed to provide quality drinking water to the students.
- ✓ Security measures have been extended by increasing the number of fire extinguishers by purchasing new ones and refilling old ones.
- ✓ The old lights have been replaced by new LED lights and old ceiling fans have been replaced with energy-efficient models to enhance infrastructure and reduce electricity consumption.

2021-2022

- ☑ Seven days National Integration Camp of Sports and Youth Department (MHRD) was successfully hosted by our College.
- ☑ State Level Inter School and College Quiz Competition was organized by our College.
- ☑ District Level Inter College Recitation and Debate Competition was organised by the College on the occasion of International Mother Language Day and International Women's Day, respectively.
- ☑ Rain Water Harvesting Project.

- ☑ To realize a long-standing dream of all stakeholders of our institution, we have initiated plans to build a state-of-the-art auditorium building in our college premises, adjacent to the G. T. Road gate. The construction of the auditorium will begin soon.
- ☑ Keeping in mind the current job scenario as well as recent NAAC directives concerning social inclusiveness, our Entrepreneurship Development Cell (EDC) has taken definite steps. Our institution, with the help of MSME, Govt. of WB, has signed an MoU with The Global Link Initiative (based in the USA) to extend ICT support, technical support, economical viability, etc. to young entrepreneurs. Such initiatives will aid not only our students, but the community at large.
- ☑ We have substantially increased the area coverage of our CC cameras to further enhance safety and security on our campus.
- ☑ Keeping in mind the needs of visually-impaired persons on campus, specially-designed boards will be installed at various offices and other prominent locations in our college.

Sri Moly Ghatak

Government of West Bengal

"Great Vision without
Great People is Impossible"

From the Desk of President Governing Body

This year my happiness has increased manifold in giving message in this prospectus for the session 2023-24. The college has been serving the needs of the people for the last 75 years and more, and has played a very important role in building the career of many students, thus, playing a major role in the development of this industrial belt. In the past few years the college is expanding its activity in many spheres and a new Hindi shift has been opened to cater to the needs of students from Hindi- medium background. The college has been accredited as an 'B+' Grade by the NAAC (2019).

My endeavour is to see that college leaves a measurable impact on the society at large. I am confident that this year will bring happiness and prosperity to every member of B. B. College family

Moly Ghatak
President G.B.

Date : 24th May 2023

Banwarilal Bhalotia College
Asansol - 713 303

From the Desk of Principal

Dr. Amitava Basu
Principal,
B. B. College, Asansol

Every year, it gives me great pleasure to present our college prospectus. This year, I am delighted to announce the release of third online edition of our college prospectus. Students can receive a quick glimpse of our college by reviewing the online prospectus for 2022-23.

B.B. College is a distinguished multi-shift single-unit college that offers 27 honours programmes as well as professional courses such as BBA and BCA. I am proud to declare that, in addition to undergraduate and post-graduate courses, students enrolled in PG courses in Physics, Zoology, and Hindi have consistently performed well over the previous few years. With 3500, 500, and 2000 students, our college also offers distance education courses with IGNOU, MANUU, and NSOU. Even though the pandemic has been raging for more than a year, it hasn't dimmed our enthusiasm.

Apart from effectively delivering online learning, we have engaged in a variety of activities, such as hosting workshops, webinars, and seminars on a variety of topics to educate students and faculty, and signing MOUs with reputable institutes to expose students to the most up-to-date scientific knowledge. Along with our traditional degree courses, we have established several online courses (certificate courses) with the goal of skill development and future work opportunities for students. Simultaneously, different cultural programmes commemorating cultural occasions are an effort to keep students' spirits up during these dismal days.

Furthermore, we have stayed true to our basic beliefs, and in honour of World Environment Day, Van Mahotsav has been commemorated by actually planting trees, just as it would have been done in the past. At the same time, our college provides community service, and students actively participate in such activities through our NSS, NCC, and Bharat Scout & Guide. Our Wi-Fi enabled college campus is dotted with an Administrative Block, Arts Block, and a Library with a massive collection of books and a spacious reading room; a Science & Commerce Block with well-equipped laboratories.

Every year, a number of scholarships and financial help are awarded to deserving and needy students. At B.B. College, we feel that striving for a better future for our students is the most important thing we can do. Meeting the issues of the practical world while maintaining our essential human ideals can lead to a better future. "What is the sense of polishing outside when there is no inside?" remarked Swami Vivekananda. A successful individual must first and foremost be a good human being.

"Success comes to those who work hard and stays with those who don't rest on their laurels of the past," I think as we celebrate 78 years of exemplary service.

We are aware of the need for continuous modification and upliftment in our thinking and efforts to keep up with the radical changes occurring in the socioeconomic environment as a result of massive technological advancement, and we hope to move forward in a new and better direction with each passing year.

**"Learn from yesterday,
Live for today,
Hope for tomorrow."**

Date : 25th May 2023

A Basu
Dr. AMITAVA BASU
(Principal, B. B. College)

Governing Body / Administration

The Governing Body is the highest decision-making authority with the Principal as the Secretary. There are several statutory and non-statutory committees to run the administration constituted by the Governing Body. The administration has chosen a decentralized mode for smooth and effective functioning.

Under the guidance of our G. B. President, Sri Moloy Ghatak, we are committed to uphold the prestige of our college in all fields, ranging from administration to academics and even community service. Under the dynamic leadership of Dr. Amitava Basu, Principal, there exists a conducive environment for teaching, learning and research. The College Governing Body is keen to uplift all types of infrastructural facilities like library, laboratory, enhanced use of ICT facilities, etc.

List of Governing Body members

Name	Designation
Sri Moloy Ghatak	President, Governing Body B.B.College, Asansol
Dr. Amitava Basu	Ex- Officio Secretary, G.B. & Principal, B.B.College, Asansol
Mr. Nurul Islam	Government Nominee
Dr. Parimal Ghosh	Teaching Representative
Dr. Koushik Mukherjee	Teaching Representative
Dr. Jyotirmoy Ghosh	Teaching Representative
Dr. Arvind Mishra	University Nominee
Dr. Paramita Roychowdhury	University Nominee
Mrs. Jayanti Mallick	University Nominee
Mr. Sudip Chatterjee	NT Representative
Mr. R.N.Bhalotia	Donor Member

CODE OF CONDUCT FOR STUDENTS:

-  Students must wear the photo-identity card provided by the college as long as they are in the college premises.
-  Loitering in the corridors, near classrooms, examination halls, offices or any other place in the college where such activities might cause disturbance, is strictly prohibited.
-  Smoking or consuming any sort of intoxicant inside the college premises is strictly prohibited.
-  At least 75% of classes must be attended, failing which a student will not be allowed to write examinations under the CBCS. In case a student does not maintain the said attendance percentage due to medical or any other valid reason, he/she must appeal for exemption in writing, providing adequate evidence.
-  Students must pay due respect to their teachers, non-teaching staff, and seniors in college. They are expected to maintain cordial relation among themselves.
-  During examinations or class tests, the sanctity of the procedure must be maintained. Any misdemeanour, including cheating, will be considered as serious offence.
-  Illegal activities of any kind, in contravention of law, are strictly prohibited.
-  The college welcomes people from all religions, castes, creeds or communities. Thus, an atmosphere of harmony must be maintained. Students must inculcate in themselves a nationalistic spirit in the true sense of the term, learning to accept and respect differences among their peers and other stake-holders in college.

BASIC FAMILIARITY WITH ICT:

-  As we are well aware by now, the outbreak of the Covid-19 pandemic has impacted our traditional pedagogic systems to a great extent. While we preserve our utmost respect for the classical “chalk-and-talk” method, we can no longer afford to be blind to the emergent need for familiarity with basic ICT tools and techniques on the part of our students, so as to ensure smooth continuation of the teaching-learning process in spite of obstacles like the Covid-19 pandemic. The college is committed to conduct various workshops on familiarity with necessary ICT tools and techniques for first year students immediately after admission. Further, our friendly staff members are always eager to help students whenever the need arises.

BASIC FAMILIARITY WITH ICT:

 By way of making a start, we have put together here in our Prospectus certain short tutorial videos for our students in connection with the use of ICT for their basic educational needs. Students are encouraged to click on the following links and watch the videos carefully:

Libraries – Our Great Assets

“The only thing that you absolutely have to know, is the location of the library”
-Albert Einstein in “Theoretical Physicist”

Students engage with and utilize our manifold resources with enthusiasm

The Competitive Examination Books' section is an essential addition to resources

The Digital Library is a great boon for our students as well as for the community at large

The Banwarilal Bhalotia College Central Library serves as the hub of a wheel whose spokes connect to all departments of the college. The Central Library, consisting of the morning, day, and evening shifts of the college, and the libraries of the BBA-BCA and Hindi sections of the college, are all well stocked and actively support the teaching-learning initiatives of the institution. The morning shift of the Central Library has the collection for general course students; the day shift of the Central Library has developed the largest collection for honours and postgraduate students for the college in tune with the responsibility resting upon it. The evening shift of the Central Library, similar to the evening shift of the College, develops the collection for the entire range of the discipline of commerce. The library of BBA-BCA caters to the students in the BBA-BCA section, and the library of Hindi Shift consists of the collections for honours and general Hindi medium students. Besides, there are 19 departmental or seminar libraries in the concerned department. Apart from the textbooks, the Central Library has a huge collection of reference books on each and every subject. Besides catering to the needs of the students and staff, the Central Library provides ample opportunities to those who intend to pursue their research in their concerned subjects. The College Central Library was set up at the inception of the college, i.e., 1944, and a rich collection of more than 61,000 copies on different disciplines in the fields of natural science, humanities, and social sciences equips the students with a wide range of academic resources available in all sections of the Central Library and other libraries, including departmental libraries, as per records available. The College Central Library, with morning, day, and evening shifts, is situated in the Humanities Building, with a total area of 3468 sq. ft. and a seating capacity of 60 students and 15 academicians. There is a reading room attached to the central library for students. The students are permitted to issue books or periodicals for the reading room or for home loans. The two other libraries are situated in the Hindi Shift Building and the BBA-BCA Building. The seminar libraries are located in the respective departments.

A glance at our Central Library:

-  The Central Library has a good number of text books and reference books, and there are a few rare books as well.
-  Surveillance is made possible through CCTV in Central Library.
-  Users can access the bibliographic record of the Central Library through WebOPAC, both inside and outside the library campus.
-  The Central Library now boasts automated, entirely online book issue and lending services, which progressively cuts down on waiting time, keeps records digitally, and improves service by offering users a platform to check their personalised library profiles online.

-  The "Electronic Resources for Remote Learning During COVID-19" is an exemplary online library openly accessible from the college website (in the upper right-hand corner of the web page) and curated painstakingly by the Website Monitoring Committee during COVID, which continues to be beneficial for all stakeholders. This online library is a site for openly accessible resources from the world wide web and also a repository of study materials created by the faculties of the college as per the university syllabi.
-  The emerging archival section of the Central Library presently operates from a separate room adjacent to the library. It employs various software and hardware tools for the digitization of previous question papers, rare and valuable books, and other legacy documents not only of the college but also of the community. This section has the potential to become a knowledge site for discussing and debating digital scholarship and to surface as a repository of the memories of the city.
-  Photocopy and printout facilities are available in all the Central Libraries.
-  The e-books and e-journals are also accessible through INFLIBNET and NLIST, both on and off-site.
-  Previous semester question papers and syllabi for UG and PG are available in the Central Library, and soft copies of the question papers and syllabi are also uploaded and made available on the College Website.
-  Reference and Referral services are to be provided via email, WhatsApp, and also from the Central Library.
-  Magazines, journals, and newspapers are available in the Central Library.
-  The Library Webpage of the college website is another source of rich and open-access e-resources for academic and career-oriented development.
-  Books and journals relating to different competitive examinations are available for consultation in the library.
-  Outside members such as alumni of the college, students of IGNOU, NSOU and MANUU study centres, and local people are provided partial access to our Central Library, i.e., they are not allowed to borrow books but they are allowed to access documents within the library.
-  Orientation and awareness programs for users are usually conducted departmentally.
-  The college also has an efficient Library Advisory Committee comprised of faculty, non-teaching staff, and students of our college. All the departments place orders for books and journals before the committee. After careful consideration, the Library Advisory Committee allocates a budget for necessary purchase or upgradation of resources.

RULES & REGULATIONS OF THE COLLEGE LIBRARY

-  While using the Central Library, users must bring their Library Cards.
-  The students should remain silent inside the Central Library. Use of mobile phones is strictly prohibited inside the College Library.
-  Books may be issued from Departmental Libraries also after taking permission from either HOD or In-Charge of the Departmental Libraries.
-  Students appearing at the University Examinations must return the library books and they should collect a library clearance certificate from the central library before filling up form for appearing examination.

- ✍ Reference books, costly and rare books are not to be issued from the library without the written permission from the proper authority.
- ✍ Central Library can recall any issued book even before due date. Generally, books must be returned by the students within 15 days from the date of issue. Defaulters have to pay a fine of Rs. 1 per day per book.
- ✍ Books lost, damaged or defaced must be replaced by the borrower. If the lost book is not available, the borrower will have to pay a fine determined by the appropriate authority.

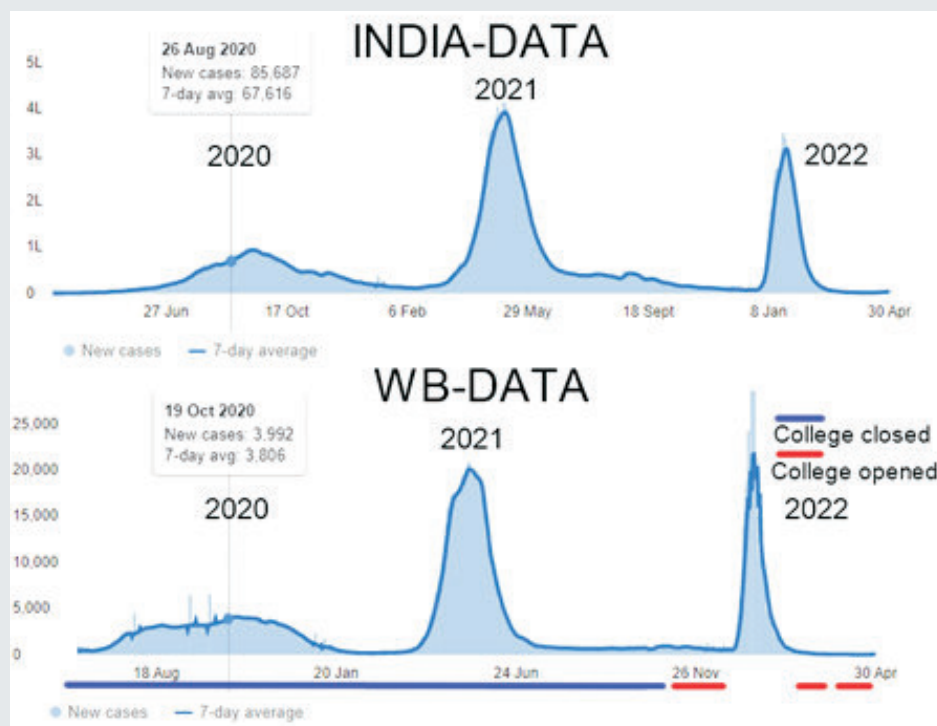

Extension of the Library and its Relocation to a New Home: Our Dream

- ✍ The development of a new two-storey library on top of the administrative building is currently in full swing.
- ✍ Along with the existing academic library, this new library will feature a gallery, an archive, and a museum. It will showcase the heritage of the city and the institution through GLAM (Gallery, Library, Archive, Museum).
- ✍ The extra space in the new building will allow us to plan out all of the library's operations in a more creative and elaborate manner.
- ✍ In order to strengthen the central library's open access policy, the new library building will include reading space for students within the library stack hall room. There will be space for reading and researching for the faculties, and a modest multipurpose space for meetings, seminars, and content development.
- ✍ There will be a makers' space for the library, in addition to more traditional facilities including a technical section for processing new library collections, a digital access section, and a periodicals section. The goal is to create a platform where cultural content and artefacts can be co-created.
- ✍ During the day, the interior design will maximise the usage of sunlight and air. A number of ergonomic pieces of furniture will be purchased. The new green library is intended to be accommodating to users with disabilities.
- ✍ Outside the main gate, there will be a ramp, and the library, which will be situated on the third and fourth floors of the current administrative building, will have a lift. Inside the library, visual signals, guides, and maps will be installed to assist everyone, including those with visual impairments, in navigating the aisles.

Some Academic endeavours in the past session

The year 2022 is very important in our lives as in this year we came out of the massacre played by Covid19. The first month, however, witnessed lockdown and thereafter college resumed to new normal lifestyle. The following graphics shows the pattern of waves of the disease covid19 in India as well as in our state of West Bengal -

Courtesy - <https://github.com/CSSEGISandData/COVID-19>
(Johns Hopkins University, USA)

Figure – Covid19 emergence, peak periods and gradual subsidence timeframe in India (top panel) and West Bengal (lower panel)

The college resumed its services with enthusiasm in 2022, and classes began to happen in offline mode on regular basis. Some of the good practices that Covid19 taught us became a part of our daily lives. This includes, sharing informations and study materials in groups on social platforms, sharing videos on subject related matters and taking some of the special classes or meetings on online platforms. A select list of academic activities held in the past academic year is provided here -

- ✍ DTC Webinar by Qmansys for Students, IQAC initiative.
Date and Venue – 14th Feb' 2022, Vivekananda Seminar Hall, Banwarilal Bhalotia College.
Organized by – IQAC, Banwarilal Bhalotia College.
- ✍ National Webinar on “*Perspective of Social Justice in India*”, Key note speakers –
1.Prof. Rumki Basu, Senior Fellow and Head, Center for Public Policy and Governance, Institute of Social Sciences, New Delhi.
2.Prof. Ranjita Chakraborty, Dept. of Political Science, University of North Bengal, Siliguri.
Date and Venue – 22nd Feb 2022, Vivekananda Seminar Hall, Banwarilal Bhalotia College.
Organized by – IQAC, Banwarilal Bhalotia College.
- ✍ 5 days workshop on “*Financial Library*” by NISM (National Institute of Security Market) under SEBI, Ministry of Finance, Govt of India.
Date and Venue – 7-11 March 2022, Vivekananda Seminar Hall. Banwarilal Bhalotia College.
Organized by – Dept of Commerce, Banwarilal Bhalotia College.

-  Seminar on “*Bioinformatics*” By Mr. Abhinay Kumar Yadav, Founder and CEO, Next Generation Scientist Pvt. Ltd.
Date and Venue – 29th April 2022, Vivekananda Seminar Hall, Banwarilal Bhalotia College.
Organized by – IQAC, Banwarilal Bhalotia College.
-  Seminar and Poster presentation on “*Only One Earth – Care for Nature and Save our Future*”.
Date and Venue – 5th June 2022, Vivekananda Seminar Hall, Banwarilal Bhalotia College.
Organized by – Dept of Geography, Banwarilal Bhalotia College.
-  Workshop on Python Programming, By AICT Pvt. Ltd.
Date and Venue – 29th June 2022, Vivekananda Seminar Hall, Banwarilal Bhalotia College.
Organized by – Dept of Computer Science, Banwarilal Bhalotia College.
-  Lecture on “*Combined Methods in Literary Research - Problems and Possibilities*” by Dr. Abhijit Sadhukhan, Dept. of Bengali, Kazi Nazrul University, Asansol.
Date and Venue – 1st Sept' 2022, Vivekananda Seminar Hall. Banwarilal Bhalotia College.
Organized by – IQAC R and D Cell (Lecture series – 2), Banwarilal Bhalotia College
-  Lecture on “World Ozone Day” By Prof. Apurba Ratan Ghosh, Dept. of Environment, The University of Burdwan
Date and Venue – 16th Sep' 2022, Vivekananda Seminar Hall, Banwarilal Bhalotia College.
Organized by – Beagle Nature Club in Collaboration with Meraki the Art and Photography Club in association to IQAC, Banwarilal Bhalotia College.
-  Lecture on “World Ozone Day” By Prof. Apurba Ratan Ghosh, Dept. of Environment, The University of Burdwan
Date and Venue – 16th Sep' 2022, Vivekananda Seminar Hall, Banwarilal Bhalotia College.
Organized by – Beagle Nature Club in Collaboration with Meraki the Art and Photography Club in association to IQAC, Banwarilal Bhalotia College.
-  Workshop on “*Dengue: Control and Prevention*” By Dr. Manas Pramanik, KNU, Animal Science Department.
Date and Venue – 24nd Nov' 2022, Vivekananda Seminar Hall, Banwarilal Bhalotia College.
Organized by – Dept of Zoology, Banwarilal Bhalotia College.
-  Seminar on “*Future Prospects in Mathematics*”. Speaker – Dr. Pavan Kumar Gupta, USA, Post Doc. Fellow at Maryland University.
Date and Venue – 1st Dec' 2022, Vivekananda Seminar Hall. Banwarilal Bhalotia College.
Organized by – IQAC; R and D Cell, Banwarilal Bhalotia College
-  Seminar on “Recent Trends in Physics and Allied Sciences-2023” was organized by the Department of Physics\ on 15-16 March 2023. The list of distinguished speakers included, among others, Prof J. N. Roy (Kazi Nazrul University, Asansol), Dr M. K. Mondol (National Institute of Technology, Durgapur), Dr R. Singha Roy (Claude Bernard University, Lyon, France).

CENTRAL INSTRUMENTATION (RESEARCH) FACILITY

The College provides state-of-the-art research facility on campus, designated as Central Research Facility. It includes instruments like, autoclave, laminar air-flow, temperature-controlled incubator with shaker, hot-air oven, photo periodic seed germinator, UV-VIS spectrophotometer, PCR machine (thermocycler), Gel electrophoresis apparatus (vertical and slab gel), centrifuge (both high and low speed) etc. Both UG and PG level students undertake their projects in the Central Research Facility under the guidance of learned faculty. The Central facility also undertakes projects from other Colleges and Universities

*We are pleased to inform that our college is the *first in the district* to have its own IRINS instance i.e., the Indian Research Information Network System-a service provided by the INFLIBNET center, Government of India to promote and enhance research collaboration and research excellence. Following is the link of B. B. College IRINS instance: <https://bbcollege.irins.org/>*

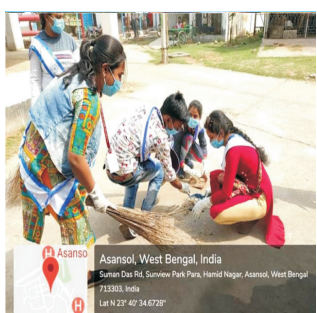

The Scouts & Guide

Scouting, a worldwide movement for harnessing human values without boundaries of religion, language, culture aims to create a “united nation” throughout our planet. Scouting is meant for all human beings without any age barrier, who intends to serve the universe. Students, on joining the scout movement may develop themselves adequately to enjoy the diversity of the great human civilization.

The Scout Moto

- ✍ "On my honour I promise that
I will do my best To do my duty to G-od
And my country, To help other people at all times, to obey the Scout Law."
- ✍ Scouting develops qualities of learning, leadership, creativity and Self-Confidence, besides providing ample opportunities for adventure and fun.
- ✍ The B. B. College Scout Group unit, under the aegis of Bharat Scouts & Guides, West Bengal, provides an ideal opportunity to students to hone their inherent leadership potential.

National Service Scheme (NSS)

National Service Scheme, popularly known as NSS, was launched in Mahatma Gandhi's birth- centenary year 1969. NSS is a permanent youth programme under the Ministry of Youth Affairs and Sports, Government of India, and funded by Government of West Bengal and Government of India in the ratio 5:7. The overall objective of National Service Scheme is educational and personality development through community service. The B.B. College NSS unit is very actively involved in the service of the underprivileged sections of society. It aims at inculcating human values, dignity of labour, self-confidence and discipline among the volunteers.

Recent activities of BB College NSS unit:

1. General orientation of NSS volunteers.
2. Tree plantation within the college campus as well as outside the campus
3. "Earn and Learn" programme.
4. Organization of various awareness programmes on different social and emerging issues in collaboration with government agencies and NGOs.
5. Organization of blood donation camps.
6. Various programmes organized in collaboration with NGOs to donate articles of need, like books and copies (for school students) and blankets to the downtrodden sections of society. For instance, we collaborated with Srijan Welfare Society, Asansol to donate books and copies to school students in our adopted village in a recent endeavour.
7. Organization of health check-up camps.
8. Facilitation of Theatre workshop conducted by Asansol Charyapada.
9. Tasar silk-worm and cocoon cultivation at adopted village in collaboration with Directorate of Textiles (Sericulture), Burdwan.
10. Special camp programme of seven-days duration.
11. "Swaccha Bharat Abhiyan" in our college campus, and at Asansol District hospital (outside college campus).
12. Awareness campaign in our society about COVID-19 pandemic situation.
13. Celebration of National Yoga Day

Some Recent Achievements of our Volunteers:

- 1) Participated in various National Integration Camps at Bangalore, Jamshedpur, Raja. N. L. Khan Women's College, West Medinipur, Berhampur University Odisha, Baseline Christian College of Engineering, Kerala, Hyderabad over the past few years.
- 2) Participated in National Youth Festival 2020 and 2022
- 3) Participated in Republic Day Parade in Delhi, 2021
- 4) State Level Workshop on Yoga at Serampore College, West Bengal.
- 5) Vivek Sanhati Utsav, 2022, Kolkata
- 6) Adventure camp at Pong, Himachal Pradesh.
- 7) Educational tour to Purulia District Science Museum.
- 8) Awareness Runs for rare diseases

NATIONAL CADET CORPS (N.C.C)

The NCC unit of the college is very active. During training, the cadet gets an opportunity to participate in many adventure activities like para-sailing, paratrooping, mountaineering, horse riding, swimming etc. In the three years of training a cadet can attend different types of camps in and out of West Bengal. After attending the camp a cadet can appear for 'B' or 'C' certificate examination. Those students who wish to join the NCC can fill up the enrolment forms during the month of August.

DEPARTMENT OF BENGALI

Year of establishment of the department: 1944

A brief Introduction of the department: The department of Bengali has been an indispensable part of the legacy of B.B.College, having won rich accolades since the inception of the college. The department boasts of notable alumni who are working in premier positions in different parts of the country. Renowned dramatist and revered actor ShriAjitesh Bandyopadhyay, in whose honour the road adjacent to B.B.College has been named; is one of ourdistinguished alumni. Eminent literary figure Udayan Ghosh, renowned poetAshimKrishna Dutta & Sudhir Mitra (Bengali &Santhalipoet) were former professors ofthis department.Achintya Biswas, a former professor of Jadavpur University and former Vice-Chancellor of University of Gourbanga is a noteworthy alumnus of this department. At present, few of the departmental teachers,Dr. Soma Chakraborty, Dr. Beauty Karmakar, Dr. Ritwik Roy & Smt. Rituparna Dey Tarafdar, used to be students of this department. It may also be mentioned that three of our alumni Dr. Mahasweta Chatterjee, Dr. Satyajit Dutta&Pappusona Gandhi are also successfully contributing to society as educators.A large number of the ex-students of this Department are engaged in various types of jobs like Assistant Teacher, different public and private sector organizations, NGOs etc. Many of then choose professional course like B.Ed, D.El.Ed and join teaching. The department of Bengali thus has a long-standing prestigious tradition and it has been striving to explore and expand human resource in its diversified potential and manifestation by various ways of learning and intellectual activities.The Seminar Library of the Department has a good collection of text andreference books.

DEPARTMENT OF BOTANY

Year of establishment of the department: 1971

A brief Introduction of the department: A brief Introduction of the department: Botany Department was founded in the year 1971 with general degree course and the academic foundation of this Dept. was initially laid down by some very eminent academicians of this district. In the year 1984, Honours course was started, affiliated to the University of Burdwan. From the academic year 2016 a parallel medium of instruction, i.e. Hindi shift was started in this Department by the Government of West Bengal keeping in the mind the needs of Hindi-speaking people of the western part of the Bardhaman district. Many eminent faculty members have served our department. At present eight teachers teach in the Department, belonging to different fields of expertise. Apart from teaching, the faculty members are also actively involved in research and social work.

BACHELOR OF BUSINESS ADMINISTRATION (BBA)

Year of establishment of the department: 2001

A brief Introduction of the department: The Department of Business Administration (BBA) emerged in the year 2001. The BBA course will help the students learn various aspects of business administration and management through classroom lectures and practical projects like internships. The course will acquaint the students with various aspects of business administration, market, marketing trends, etc. Discipline specific electives offered from 5th semesters are in the following streams: Finance, Marketing and Human Resource Management. Students are required to undertake a micro project during the final semester.

For admissions into BBA courses, students are required to clear the 10+2 or equivalent examination from any recognized board. It is open to students from all three streams i.e., Science, Arts and Commerce.

DEPARTMENT OF CHEMISTRY

Year of establishment of the department: 1961-62

A brief Introduction of the department: The Department of Chemistry has a glorious past. Many ex-students of the Department are well established in different national and internationally reputed academic institutions/universities, colleges and industries. The Department runs in two shifts: day and morning. Three-year undergraduate B.Sc. Honors Course in Chemistry is taught in the Day Shift while the Morning Shift deals with the three-year undergraduate B.Sc. Programme Course (General). Besides teaching, the faculty members are actively involved in sponsored research activities.

Current faculty:

<i>Name of faculty</i>	<i>Designation</i>	<i>Qualification</i>	<i>Specialization</i>
<i>Dr. Ashis Kumar Dutta</i>	<i>Associate Professor</i>	<i>M.Sc., Ph.D</i>	<i>Organic Chemistry</i>

DEPARTMENT OF COMMERCE (EVENING SHIFT)

Year of establishment of the department: 1969

A brief Introduction of the department: The Department of Commerce is one of the pioneering departments of BB College which **started its journey in the year** 1969. It is the largest department of the college in terms of number of students. Since inception, the Department has been providing knowledge and skills in almost all areas of business to equip students to take up different entry-level jobs in various commercial undertakings. Initially, the working hours of the Department was from 3:00pm to 8:00 pm. Later, due to the growing demand of commerce education among female students of the Asansol-Durgapur industrial belt, the working hours were changed from 12:00 Noon to 5:00 Pm in order to cater to their needs. In spite of the change in timing, the department is conventionally known as Department of Commerce (Evening Shift). The Department takes pride in its popularity as indicated by the number of students admitted to various courses every year, from almost every nook and corner of Paschim Bardhaman district. Apart from academic activities, the department always encourages its students for various on and off campus activities throughout the year. In spite of some limitations, we are confident that we will scale greater heights with our sincerity and diligence in future.

Current faculty:

<i>Name of faculty</i>	<i>Designation</i>	<i>Qualification</i>	<i>Specialization</i>
Dr. Amitava Basu	Principal	M.Com, Ph.D	Accounting & Control
Dr. Bibekananda Sarkar	Associate Professor	M.Com, Ph.D	Accounting & Finance
Prof. Subrata Mukherjee	Associate Professor	M.Com (Gold Medalist)	Accounting & Control
Prof. Delawar Hussain	Assistant Professor	M.Com	Accounting & Finance
Dr. Triptimoy Mondal (Head of the Dept)	Assistant Professor	M.Com, Ph.D	Accounting & Control
Prof. Sanjib Roy	SACT-II	M.Com, CA (Inter), ICWA (Inter)	Taxation

Apart from the above, several faculties from other Department/Shift take classes on regular basis.

Teachers' Day Celebration at the Department of Commerce

DEPARTMENT OF COMMERCE (HINDI SHIFT)

Year of establishment of the department: 2015

A brief Introduction of the department: The department of commerce (Hindi shift) started its journey in 2015 with the objectives to cater to the needs of Hindi background students. Lectures are delivered in both Hindi as well as English. The faculty members are experienced in their own field of specializations and provide leadership in commerce & management education by imparting quality and industry-relevant knowledge through research workshops and other related activities. Presently, the department offers B. Com honours and programme courses. The Department has conducted various national and international seminars, workshops, lectures of renowned faculties from reputed institutes and officials from different industrial houses across India. Holistic development of the student is our prime objective. Total approved intakes of the B. Com honours and programme courses are 125 and 75 respectively. Over the years, the students' enrolment ratio is showing an increasing trend in the department. The pass-out ratio of the students is also quite impressive in the department.

DEPARTMENT OF COMPUTER SCIENCE

Year of establishment of the department: 2004

A brief Introduction of the department: The Department of Computer Science was established to meet the demand for well-qualified computer professionals and was conceived in the year 2004.

Department has well qualified and vibrant faculty dedicated for the betterment of the students. Most of the students passed out are well placed or have opted for higher studies.

The department has provided a well-equipped computer lab. The annual intake of the department is fifty students. The department ensures that program objectives are constantly met and learning outcomes are monitored through periodical tests and assignments.

DEPARTMENT OF ECONOMICS

Year of establishment of the department: 1961-1962

A brief Introduction of the department:

Economics as a subject tries to bridge the gap between the limited resources and unlimited wants. It seeks to optimize the goals subject to different constraints. So our department wants to disseminate knowledge regarding different aspects of the subject. Moreover, our learned faculties encourage our students for higher studies and to crack different competitive exams. We have a rich heritage of alumni among our students. They are well-placed in various government and non-government positions in different parts of India and abroad. We have a well-stocked departmental library as well as central library.

Certificate course of the department:

<i>Name of the certificate course</i>	<i>Duration of the certificate course</i>	<i>Intake</i>	<i>Fees</i>	<i>Name of the course co-ordinator</i>
<i>An introduction to Game theory</i>	<i>35hrs 24th June, 2021</i>	<i>18</i>	<i>Zero</i>	<i>Mr. Shashi Kr Shaw</i>
<i>An introduction to Game theory (2nd cycle)</i>	<i>30+ hrs, 20th May to 28th June</i>	<i>22</i>	<i>Rs. 100</i>	<i>Mr. Shashi Kr Shaw</i>

DEPARTMENT OF EDUCATION

Year of establishment of the department: 2008

A brief Introduction of the department: This genesis of this department goes back to 2008. It was the first department which started to provide 3-year honours degree in Education in this industrial and coal belt of Asansol and Durgapur. Since its establishment in Banwarilal Bhalotia College, it has been successfully fulfilling the needs of local students, with Education as a school subject at the higher secondary level. The department has successfully produced many outstanding scholars who are now engaged as teachers, professors; or continuing their higher studies in various universities as students and research scholars. Education as a subject has its immense importance in every national and regional competitive examination like NET, CTET, SET and TET. The department enjoys a high rate of success of its students in university examinations, and its rate of conversion to higher studies approximates hundred percent. The intake capacity of the department has been increased to 50. The department will continue to impart quality teaching, new learning experiences, skills, values to its students. In this way it will definitely fulfill the need for human resources in society.

DEPARTMENT OF ENGLISH

Year of establishment of the department: 1944

A brief Introduction of the department: The Department of English, founded in 1944, was one of the earliest departments set up in our college, and it has continued to serve the academic community ever since. The department has a rich heritage of excellence, whereby it has nurtured numerous luminaries who have gone on to make the department proud by contributing significantly towards the advancement of society. We aim to provide a comprehensive introduction to the study of literatures in English to our students. Contrary to popular belief that the study of English literature exposes the undergraduate student to an alien language and culture, we seek to help our students transcend linguistic barriers and enjoy a universal, human experience. We encourage refreshing perspectives on texts in addition to conventional readings of canonical literature. Our illustrious alumni include Dr R. R. Datta, (retired Associate Professor, Dept of English, B. B. College, Asansol), Dr Arunabha Dasgupta (retired Teacher-in-charge, Desbandhu College, Chittaranjan), Dr Ajoy Sengupta (Associate Professor, Dept of English, Asansol Girls' College), Dr Santanu Banerjee (Assistant Professor, Dept of English, Kazi Nazrul University), among many others. The current staff members are introduced below.

GEOGRAPHY (DAY SHIFT)

Year of establishment of the department: 2008

A brief Introduction of the department: The Department of Geography, Banwarilal Bhalotia College, established in the year 2008, offers undergraduate courses leading to the Degrees of Bachelor of Arts (B.A.) and Bachelor of Science (B.Sc.) awarded by the Kazi Nazrul University. This course introduces students to the dynamic processes including fundamental and modern techniques, contemporary paradigms such as global initiatives like Sustainable Development Goals (SDGs), Disaster Risk Reduction (DRR) and national initiatives like smart cities, securities of food, water, energy, human health and livelihood, biodiversity, and disaster management. The three-year B.Sc. degree in Geography Honours inculcates knowledge of essential concepts of physical and human geography together with appropriate techniques using lectures, tutorials, group discussions, presentations, assignment evaluation, lab work and field visits. Extra care is taken to pay individual attention to the students in their laboratory work and lecture sessions. Project work and problem-solving sessions are encouraged to develop innovative and analytical approach to learning. Topical seminars by experts from research institutes, planning authorities are organised to create research awareness amongst students. Departmental laboratory is well equipped to carry out various practical works. The Department has a computer laboratory with 100 PCs. The Department has developed a physical laboratory for analysis of soil samples. The Geography Alumni Association -GAA was formed in the year 2020 on 23rd February. The objective of this association was to offer a collective platform for the current students, alumni, industry and academia.

Any other relevant information that you wish to add: The Department of Geography has started to celebrate World Environment Day on 5th June since 2020. Every year we observe this day through tree planting, poster competition and one special lecture session by resource person.

The department conducts one field excursion every year. We have visited field in Uttarakhand, Sikkim, Dooars, Visakhapatnam.

GEOGRAPHY DEPARTMENT (HINDI SHIFT)

Year of establishment of the department: 2015

A brief Introduction of the department: The Department of Geography (Hindi Shift) was established in 2015 to carry out the undergraduate courses in Geography Honours in Hindi version. The present student intake capacity of the department is sixty. The strength of the teaching faculty is three along with one laboratory attendant. We have already organized a National Webinar on “Ecosystem Restoration: Striving towards Sustainability” to celebrate the World Environment Day 2021, in collaboration with the Department of Geography, Day Shift under the aegis of IQAC of this college. The department endeavours to develop a fully equipped Cartography Laboratory along with a Computer Laboratory. The faculty members aim at enhancing the department's scholastic standing through high-calibre work, involvement in the community, and comprehensive student development.

DEPARTMENT OF HISTORY (HINDI SHIFT)

Year of establishment of the department: 2015

A brief Introduction of the department: As per the general guidelines provided by UGC and the college authority, Department of History, B. B. College, Hindi Shift Asansol provides a dynamic system for benefit and upliftment of the departmental students. We provide advice and technical assistance during subject selection and filling up of admission forms at the time of admission. This type of guidance is also provided during examination form fill-up process, availing different scholarships, etc. We introduce and encourage students to consult various reference books and lecture notes (both offline & online). After the completion of BA in History, students will be able to distinguish between primary and secondary sources and identify the historical evidence. They will develop better understanding of different peoples and cultures in past environments and the manner in which cultures changed over the centuries. They will be able to produce their own historical analysis of documents and develop the ability to think critically and historically when discussing the past. Students will be able to offer multi-causal explanations of major historical developments based on contextualized analysis of interrelated political, social, economic, cultural and intellectual processes. After the completion of BA, students may easily prepare for various competitive examinations. The study of History imparts moral education and grows the feeling of patriotism in the hearts of the students.

DEPARTMENT OF MATHEMATICS

Year of establishment of the department: 2015

A brief Introduction of the department: This is one of the renowned departments of the college. Over the years, the department has produced several noted alumni who are well-known academicians, researchers and professionals in the field of Mathematics and allied areas. Our alumni have also taken up jobs in several academic and administrative services and provided exemplary service to the Nation. Each year students bring in laurels for the college through their excellent performance in University Examinations and their achievements in all India based competitive examinations. The departmental faculties are highly competent and very dedicated who always try to motivate the students to pursue their dreams and excel in their career. Faculties of the department are experts in their fields of research and have published research articles throughout recent years in international journals of repute. At present, almost 200 students are there in this department. Beside regular chalk & talk method, the faculties often resort to various interactive teaching methods like flipped classroom approach, PowerPoint presentation, online video lecture, mock teaching, student seminar to create a more participative learning environment so that the students can engage themselves with more interest and enthusiasm. The department conducts various seminars and lecture sessions by inviting renowned experts from elite Indian and foreign institutes. The department also boasts of a well-maintained Seminar Library consisting of sufficient number of books to support the students.

Certificate course of the department:

The following Certificate Course was offered by the department in the year 2021-2022. The department is planning to introduce more such courses in the coming session.

Any other information you want to add:

All the faculties of the department consider their mentorship duties very sincerely and they properly guide the students to succeed in career and job opportunities. They provide ample support to the advanced learners by arranging some tutorial sessions for competitive exams. They also take special care for the slow learners by providing remedial classes. Beside the academic activities, the department often motivate the students to intellectually flourish and engage themselves in various extracurricular activities by arranging seminars, quizzes etc.

Recently, Dr. Sudipta Das delivered lectures as invited speaker in virtual workshops and seminars, organized, respectively, by JBNSTS-VIGYAN PRASAR and Panchmura Mahavidyalaya, Bankura to inculcate scientific reasoning among young minds.

Our achievers in recent competitive examinations

1. Anshuman Pal
B.Sc Math Hons. 6th Semester
All India Rank - 1030 in IIT- JAM Exam 2023

2. Megha Choudhary
B.Sc Math Hons. 6th Semester
All India Rank - 1316 in IIT- JAM Exam 2023

DEPARTMENT OF MICROBIOLOGY

Name of the department: MICROBIOLOGY

Year of establishment of the department: 2005

A brief Introduction of the department:

A brief Introduction to the department: The department of Microbiology, B.B College, Asansol is one of the best departments to study microbiology. It was established in 2005 and it involves a wide array of learning areas related to microorganisms and microbial activities in different fields including research, brewery, food, industries, environment etc. The departmental laboratory is well equipped with all necessary instruments and facilities needed to provide quality teaching and learning opportunities for the students. The departmental students are well mentored by adequate and well experienced faculties. The classrooms are kept spacious to accommodate all students and to allow proper interaction of students with faculty. Most of our departmental alumni have acquired good positions in many institutes.

DEPARTMENT OF PHILOSOPHY

Name of the department: Philosophy

Year of establishment of the department: Department of Philosophy, B.B. College started its journey in the year 1944 with two faculty member and only pass course in the subject. It was upgraded to an honours department in 1996.

A brief Introduction of the department: At present Philosophy is a full-fledged department with more than 450 students. Students studying here can opt for Philosophy Hons. or as pass subject. In the recent years, students seeking admission in Philosophy Honours course is increasing, though percentage of meritorious students is still very low. A random survey shows that students are coming from all sections of society. Enthusiasm of the students of the department in extra-curricular activities is praiseworthy. They take part and secure position in every cultural function and departmental get-togethers. We also guide students through philosophical counseling. At present, a good number of students are studying Philosophy honours with great interest.

DEPARTMENT OF PHYSICS

Name of the department: Physics

Year of establishment of the department: 1960

A brief Introduction of the department:

The Department of Physics, B.B. College started its journey in 1960 with under graduate courses. Since its inception, the department has striven to set a good quality education in undergraduate physics. The department takes pride in having many distinguished, ex-faculties and alumni. The Department has produced a number of good quality students who obtained first class as well as University Rank in the University examinations. A good number of them have shown distinction in higher education and research work in different state and central Universities and institutions of repute like IIT, IISc, IISER, BARC, NIIT, TIFR etc. **To be a leading department of the College, the department also started post graduate course of studies to provide extensive and comprehensive Physics education to create leaders and innovators in this subject and generate new concepts, thinking, computational skills and problem-solving ability and knowledge for the students of Asansol-Durgapur industrial area.** The Department recognizes this and constantly strives to empower students to excel in physics through creation, acquisition and dissemination of knowledge in life. The department has spacious class rooms, well equipped laboratories, ICT enabled class rooms with internet facility and separate seminar libraries both for UG and PG with sufficient number of books. The department also takes pride in having distinguished, sincere and dedicated faculties along with good quality students. The thrust research areas of the department include Nanomaterials, Nonlinear Optics, Optoelectronics and Bose Einstein Condensates. A number of publications have been done in these areas in the last five years. Faculties are involved in active research in the department.

Any other information you want to add:

Department of Physics had organised the following events:

(1)Birth Anniversary of Sir Jagadish Chandra Bose on 30.11.2022

(2)National Science Day on 28.02.2023.

The Department of Physics organized an International Conference on “Recent Trends on Physics and Allied Sciences” RTPAS-2023 on March 15-16, 2023.

Our achievers in recent competitive examinations

1. Ashok Gorai

B.Sc Physics(Hons) 6th Sem

All India Rank - 29 in IIT- JAM Exam 2023

2.Sanjoy Dey

B.Sc Physics(Hons) 6th Sem

All India Rank - 549 in IIT- JAM Exam 2023

DEPARTMENT OF POLITICAL SCIENCE (DAY SHIFT)

Name of the department: Department of Political Science (Day Shift)

Year of establishment of the department: 1947-1948

A brief Introduction of the department:

Department of Political Science was established in 1947-1948 with B.A. (Pass) in Political Science affiliated to Burdwan University; subsequently Honours course for Political Science was successfully started from 1961-1962 affiliated to Burdwan University. The goal of the Department is to inculcate critical thinking in the young minds of the students which can help them in future to question any authority. The faculties of the Department have a vision of producing young graduates who can meet the challenges of life in political, social and economic realm. The department is committed to take a leading role in the college to produce a democratic-minded people. The dedication, love, sincerity of the professors of this department and rich culture of the college will help and motivate the students for better life.

Current faculty:

<i>Name of faculty</i>	<i>Designation</i>	<i>Qualification</i>	<i>Specialization</i>
<i>Dr. Kakali Kundu (Sarkar)</i>	<i>Associate Professor</i>	<i>M.A. in Political Science, MSW, M.Phil., Ph.D. Diploma in Functional English</i>	<i>Public Administration & Local Government</i>
<i>Sri Dulal Barai</i>	<i>Assistant Professor</i>	<i>M.A. in Political Science</i>	<i>Political Sociology</i>
<i>Dr. Umar Jalees Moniri</i>	<i>Assistant Professor (Current H.O.D.)</i>	<i>M.A. in Public Administration, M.Phil., Ph.D.</i>	<i>Environment & Governance</i>
<i>Sri Ranajit Mandal</i>	<i>Assistant Professor</i>	<i>M.A. in Political Science,</i>	<i>Public Administration</i>
<i>Sri Deshmukh Shaw</i>	<i>SACT-II</i>	<i>M.A. in Political Science, B.Ed</i>	<i>A Modern India: Concept and Perspective</i>
<i>Sri Manoj Mondol</i>	<i>SACT-II</i>	<i>M.A. in Political Science</i>	<i>International Relations</i>

DEPARTMENT OF POLITICAL SCIENCE (HINDI SHIFT)

Name of the department: Department of Political Science (Hindi Shift)

Year of establishment of the department: 2015

A brief Introduction of the department:

Department of Political Science (Hindi Shift) was established in 2015. It is entrusted to create scope for Hindi as a medium of instruction in higher studies. The Department is committed to promoting value-based education, creative learning, critical thinking, innovation and enquiring approach in Political studies. The Department offers courses on interdisciplinary studies in diverse areas like Political Thought & Theory, South Asian Studies, Environmental Politics, Global Politics, Public Policy, Gender Studies, Foreign Policy of India, Political Sociology, Local Government in West Bengal, Public Administration, etc. The Department organizes various Seminar/Conference/Workshop/Lecture Series and other quality initiatives on regular interval for the holistic academic development of our students.

Certificate course of the department:

Name of the certificate course	Duration of the certificate course	Intake	Fees	Name of the course co-ordinator
State Politics in India	32 Hour	100	Nil	Pawan Gurung Santosh Kumar Bhagat

Current faculty:

Name of faculty	Designation	Qualification	Specialization
Santosh Kumar Bhagat (HoD)	Assistant Professor	M.Phil.	Indian Government and Politics and Political Theory
Pawan Gurung	Assistant Professor	M.Phil.	Political Thought and Theory
Piyali Banerjee Paul	Assistant Professor	M.Phil.	International Relations
Queen Sinha	SACT-II	M.Phil.	Public Administration and Local Self Government

DEPARTMENT OF POLITICAL SCIENCE (HINDI SHIFT)

Other relevant information:

All our faculty members are actively involved in research. They are regularly invited to deliver talks at various educational institutions of repute. Besides, they regularly publish their research in prestigious academic journals and books, and convene seminars/workshops to inculcate the spirit of research amongst students.

DEPARTMENT OF SANSKRIT

Name of the department: Department of Sanskrit

Year of establishment of the department: 1962

A brief Introduction of the department:

The department of Sanskrit BB college Asansol is a renowned one. Initially only BA general course was started. Later, to meet up the demand of the students, Honours course was opened in the year 2007. At present average enrollment is more than 50 students per year. There are four teachers in the department. Among our distinguished alumni, we may name Sri Sourav Chakraborty, teacher(SACT) of Raniganj T.D.B. College, Smt. Sumitra Karmakar, teacher(SACT) of Rashbehari Ghosh Mahavidyalaya(Khandaghosh, PurbaBardhaman), Smt. SuchibrataBishnu, teacher(guest) of B B College. Some of our students are undergoing research and some obtained jobs in other concerns also. Day by day the demand for studying the subject is growing and we hope in near future our enrollment will increase and we shall start new courses in the Department.

Certificate course of the department:

DEPARTMENT OF SANSKRIT

Any other relevant information that you wish to add:

Reunion of the department of Sanskrit:

The Department of Sanskrit, B.B .College decided to initiate reunion program from the year 2022 and accordingly, the first reunion was held on 3rd December, 2022. Our honourable Principal Dr. Amitava Basu inaugurated the program by lighting the candle. The toppers of the department of every year were given an award named 'Sanskrit Bhusanam', a medal and a memento in recognition of their remarkable academic achievements. Besides, each of the alumni since 2010 were given a memento. There was great enthusiasm among the students and we, therefore, resolve to continue this event every year.

Educational tour of the department:

Every year our department organizes educational tours with the students of the department. Last year we visited Santiniketan in December, 2022.

DEPARTMENT OF STATISTICS

Name of the department: Department of STATISTICS

Year of establishment of the department: 2001

A brief Introduction of the department:

Department of statistics of BanwarilalBhalotia College offers Generic and Program courses of Statistics. Theory and practical classes are taken by the teachers regularly. Our teachers try to provide class notes on each and every topic. We take care of our students.

Certificate course of the department:

<i>Name of the certificate course</i>	<i>Duration of the certificate course</i>	<i>Intake</i>	<i>Fees</i>	<i>Name of the course co-ordinator</i>

DEPARTMENT OF URDU

Name of the department: Department of Urdu

Year of establishment of the department: 2008

A brief Introduction of the department:

Urdu is one of the Indian languages. It belongs to the Hindustani group of the Indo-Iranian branch of the Indo-European family. Approximately two hundred million people around the world speak Urdu as a first or second language. The Department of Urdu, B. B. College has launched Certificate Course in Urdu Language through Hindi and English Medium to popularize Urdu Language and its script across the country. This Department on the basis of its potentials in terms of its excellence in teaching and determination to move forward on defined lines in a challenging academic atmosphere of our times. It is also evident from the current academic calendar 2021-22 with its round-the-year academic engagements. We have organized three national seminars on "Fort William College", "Wahshat Kalkatvi: Hayat -o-Fun and "Hussainul Haque: Hayat-o-Khidmat" which is unprecedented on the basis of the quality of papers presented on various aspects of the legendary poet and also the stature of the scholars who came from different parts of the country to participate in this historic event.

Current faculty:

DEPARTMENT OF ZOOLOGY

Name of the department: Department of Zoology

Year of establishment of the department: 1962

A brief Introduction of the department:

The Post Graduate Department of Zoology of Banwarilal Bhalotia College, Asansol is one of the leading departments among the sciences in West Bengal. Since 2016, the department is affiliated to Kazi Nazrul University and currently offers M.Sc., B.Sc. Honours, B.Sc. Programme and Generic Elective courses. Apart from imparting knowledge in the domain of classical Zoology, recent trends and modern courses like Medical Parasitology, Entomology, Cell culture, Microbiology, Biotechnology and Bioinformatics are studied with due importance. The department facilitates a basic and comprehensive approach toward developing skills in vocational disciplines such as Aquaculture and Fisheries, Vermicomposting and Research Methodology. The laboratories in the department are equipped with state-of-the-art facilities in spacious surroundings. The department takes pride in its alumni. Among them, Dr. Arun Bandopadhyay, Dr. Lolitika Mondal, Prof Laxmi Narayan Neyogi are some renowned scientists world wide.

4. Certificate course of the Department:

Other relevant information:

The Department organized an educational excursion as prescribed in the curriculum of semester IV Zoology Honours during May 2022 at Darjeeling and adjoining areas. All the semester IV students participated in this program and they have already been submitted a detail study report pertaining to the educational excursion.

The Department has organized a seminar on Dengue awareness in Nov, 2022 to sensitize common people including students about the fatal effects of the disease. A lecture was delivered by Dr. Manas Pramanik, Dept. of Animal Science, KNU.

Community outreach program was organized by the department including the students of both UG and PG students. The curriculum had both theoretical and practical aspects. A field tour was also carried out by the department to the colleges' adopted villages (Nabajamdoba). A detailed survey of the socioeconomic status of the villagers was also performed.

The department also organized an International Seminar on triple negative breast cancer, where the speaker was Dr. Sourav Banerjee, School of Medicine, University of Dundee.

PG Department of Zoology has organized a research laboratory visit for the first time at CSIR IICB, Jadavpur, Kolkata on 20.02.2023, in which approximately 30 students participated for hands-on training program in different techniques of molecular biology and microscopy such as AFM, Confocal Microscopy and NMR. Students also got the opportunity to interact with the Director of CSIR IICB, Jadavpur, Kolkata. It was a great opportunity for our participants and they acquired some extraordinary knowledge in the field of biological science from this visit.

1. Sri TribeniRuidas

COMMITTEES

In support of the administration, we have various efficient committees to aid effective governance of various college affairs. Some of the committees directly involved with the welfare of students are listed under. The complete list of committees and their composition may be found on the college website.

1.Equal Opportunity Cell

*Principal (Chairperson) - Dr.AmitavaBasu
Dr Kakali Kundu
Mr Sukumar Pal
Mr Amrita Halder
Dr. Chandana Singha
Dr Tapas Kumar Maji
Dr.Zarquu Jamal (Convenor)
Mr Koushik Kumar Mondal
Mr Delawar Hussain
Dr Sabina Pradhan
Mr Sagen Hansda
Four Office Staff, one from each section/ Shift*

2. Women Development Cell

*Principal (Chairperson) - Dr.AmitavaBasu
Mrs. Jayanti Mallick (G. B.Member, University Nominee)
Ms Nabanita Banerjee (Advocate)
Ms. Baijayanti Mukhopadhyay
Dr. Laila Mitra
Ms Amrita Pal (Convenor)
Ms Amrita Mitra
Ms Sucheta Mandal
Dr Beauty Karmakar
Dr Shamali Bhattacharyay
Mrs. Sharmila Banik
Two female student representatives*

3. Internal Complaints Committee

*Principal - Dr.AmitavaBasu
Mr. Somnath Chatteraj, Advocate, External Member
Mrs. Jayanti Mallick, G. B. Member, Social Worker
Dr.Snigdha Roy,(Convenor), Presiding Officer / Chairperson
Dr Jayanta Kr Majhi, Teacher Member
Dr Arnab Ganguli, Teacher, Member
Dr Rajrupa Ghosh, Teacher Member
Mrs. Sharmila Banik, Lady Attendant, Non-Teaching Member
Mr. Antu Bhattacharjee, Non-Teaching Member
Two female & one male student representatives*

4. Anti-ragging Committee

Principal (Chairperson) - Dr.AmitavaBasu

TCS (Convenor) - Dr. Arnab Ganguli

Mr. AvijitGhatak, MMIC, AMC, Asansol (Representative of Civil Administration)

O.C.,Asansol South P.S. (Representative of Police Administration)

All internal G.B. members

Govt. Nominee in the G. B. - Mr. Nurul Islam

University Nominee (Women) in the G. B. - Mrs. Jayanti Mallick

Mr. SatendarTuri, Reporter, Prabhat Khabar

Mr. Sushanta Bose, SrijanParibar N.G.O.

Women Development Cell Convener

Hostel wardens

Student Representatives (One Female & One Male)

ADMISSION GUIDELINES 2023

As most stakeholders of higher education in West Bengal already know, the state government has decided to implement a centralised online web-based admission portal for admission to higher educational institutions in the state. The relevant notification issued by the government has been attached below for reference of students and guardians. Banwarilal Bhalotia College advises students seeking admission to our courses, to carefully follow all notices and guidelines issued by the government on the said portal, and apply to the relevant programmes of study accordingly. The college will also update relevant information regarding admission on our website. Students must follow the government portal and the college website diligently to ensure a hassle-free admission process.

Government of West Bengal
Department of Higher Education
College Sponsored Branch
Bikash Bhavan, Salt Lake, Kolkata-700091

No. 117- Edn(CS)-17014(20)/8/2022-COMM(HED)-Dept. of HE

Date: 17.02.2023

ORDER

The State Government in the Department of Higher Education has decided to use a Centralised web based Online Admission PORTAL developed by Webel Technology Limited (WTL) for the Under Graduate General Degree courses in West Bengal from 2023-24 academic session in all Government, Government Aided Colleges, Unitary Universities and State-aided Affiliating Universities, excluding Autonomous Colleges, Minority Educational Institutions/ Colleges, Training Colleges, Law Colleges, Colleges/Universities offering course like Fine Arts and Performing Arts, Crafts, Dance, Music, Engineering, Pharmacy, Nursing, Medical Courses and Self-financing/ Private Colleges and such other Colleges/ Universities/ courses as may be determined and notified by the State Government time to time.

A Committee under the West Bengal State Council of Higher Education has been formed the following dignitaries for successful completion and implementation of the Centralized Online Admission PORTAL in West Bengal:

1. Dr. Madhumita Manna, Additional Director of Public Instruction, West Bengal
2. Dr. Swapan Pan, Retd. Principal, Guskara Mahavidyalaya
3. Dr. Shukla Hazra, Retd. Principal, East Calcutta Girls College, Lake Town
4. Prof. Amlan Chakraborty, A.K. Choudhury School of Information Technology, University of Calcutta
5. Dr. Partha Gangapadhyay, Joint Director of Public Instruction-Convenor
6. Dr. Subhranil Som, Principal, Bhairab Ganguly College
7. Dr. Rupa Dasgupta, Principal, Debra Thana Sahid Khudiram Smriti Mahavidyalaya
8. Dr. Somnath Mukherjee, Principal, Dinobandhu Andrews College
9. Dr. Saptarshi Goswami, Assistant Professor, Computer Science, Bangabasi (Morning) College
10. Pritimoy Sanyal, Head (Technology Cell), MAKAUT

The team so formed shall work from Bikash Bhavan, Salt Lake in close co-ordination with Sri Siladitya Basuray, Sr. Special Secretary, Department of Higher Education, Director of Public Instruction, West Bengal and Webel Technology Limited.

INFRASTRUCTURE

The college is built on a massive space of about 7.80088 acres of land. There are 4 major buildings and 2 administrative centres. Besides, there is a well-stocked Central Library which facilitates the scholastic growth of the pupils. There are, in all, 62 fully functional classrooms in addition to 15 ICT-enabled ones. The playground inside the college campus is one of the components of the holistic development of the students. Recently, the ground has been made more attractive by concrete fencing around it and the construction of an entrance gate. There is also a canteen within the college campus for refreshment of the students. At present, a project has been planned to build a state-of-the-art auditorium to organize various programmes and seminars etc. of the college. Giving importance to the needs of the society and the environment, the college has recently taken an initiative to install solar panels to reduce the use of conventional energy to a large extent, which will be completed very soon. Inside the college, there are statues of luminaries like Swami Vivekananda, Rabindranath Tagore, Netaji Subhas Chandra Bose and Iswarchandra Vidyasagar which inspire students and staff.

OLD HERITAGE BUILDING:

The main building, which houses mostly the science departments, is also the designated Old Heritage Building, constructed in 1971 and inaugurated by Dr. Bidhan Chandra Roy, the then Chief Minister of West Bengal. It has 72 rooms including 37 classrooms and 1 seminar hall-cum-ICT classroom. The centres for distance education and learning like IGNOU and NSOU are also a part of this building.

HUMANITIES AND CENTRAL LIBRARY BUILDING

This building houses all the Arts and Humanities departments. Presently, the Central Library and the Language lab are situated on the first and the second floor, respectively. It also accommodates the Digital Preservation Centre which works towards the digitization of old and rare historical documents. It has 29 rooms including 14 classrooms. A beautiful flower garden adjacent to this building captures everyone's mind and sight. A butterfly garden is being constructed with the financial support of Department of Environment, Government of West Bengal, which will make the college environment eco-friendlier and more attractive.

BBA / BCA Building:

This building houses departments that run the Professional Courses like BBA and BCA in the college. There are total 12 rooms including 1 computer laboratory. This block also houses another separate library, catering to the specific requirements of students enrolled in the said courses. It further accommodates the NCC wing of the college, the Boys' Common Room and the Students' Union Room.

HINDI SHIFT BUILDING:

The Hindi Shift facilitates scholarly pursuits where Hindi is the medium of instruction. It is housed in a separate building adjacent to the main campus and consists of 5 classrooms and 1 seminar hall. In a bid to cater to the needs of ever-increasing number of students in our Hindi Shift, the college has enhanced the infrastructure by adding **4 large rooms on the second floor of the Hindi Shift building. Recently, an approach road of paver block has been constructed through the adjacent garden of this building and many trees have been planted and beautification initiatives have been taken to make the garden attractive.**

BOYS' HOSTEL:

The Boys' Hostel is one of the oldest buildings in our College. There are around 32 rooms which house more than 85 students in this hostel.

GIRLS' HOSTEL:

Promila Devi Women's Hostel is another beautiful addition to our infrastructure. There are around 38 rooms in this building. About 90 girls have made our hostel their home away from home.

ADMINISTRATIVE BUILDING:

The old administrative building houses the office of the Head-clerk. It also accommodates the Girls' Common Room. Our new Administrative Building was inaugurated by Sri Moloy Ghatak, Governing Body President, Banwarilal Bhalotia College, Asansol & Minister-In-Charge, Govt. of West Bengal in 2015. It houses the Principal's Chamber, the IQAC Office and the Accounts Section.

Besides, it has a well-equipped, LAN-compatible computer laboratory mainly used for online examinations. We have recently undertaken an extension of this section, and plan to shift our library here. Also, we have several plans for the extension and advancement of library facilities, once the section is shifted to its new home. **This work is almost complete. With its inauguration, soon the door of this state-of-the-art knowledge repository will be opened to the students.**

LABORATORIES:

The College has 21 spacious and well-equipped laboratories attached to various departments like Chemistry, Physics, Botany, Zoology and Microbiology, Electronics, Environmental Science and Geography. The laboratories are equipped with modern instruments to cater to the needs of the present syllabus and beyond. The Physics and Zoology departments have spacious post-graduate laboratories as well. The college has well-equipped Computer Laboratories including one well-equipped central Computer laboratory with peer-to-peer network and internet for the use of students to meet all necessary curriculum requirements. **During the post Covid period, some modern laboratory equipments have been added to the laboratories which will make the teaching - learning environment more realistic and enriching.**

ICT INFRASTRUCTURE:

The College Management has taken decisive steps to encourage the enhanced use of ICT facilities in all branches of administration as well as academic exchange. This includes the online admission process, and modernization of ICT infrastructure in the administrative offices of the college. We have fourteen classrooms and seminar halls equipped with ICT infrastructure. These rooms have smart boards, projectors, screens and high-end computers to make academic exchange a lively experience. Besides computers installed in each department for daily use, we have a dedicated Central Computing Facility with about 120 computers. This facility has proved to be a great boon for our teachers and students, especially in the conduction of online internal examinations. The college also has a functional Language Laboratory which works towards improving linguistic skills of students, especially enhancing their fluency in the English language. The laboratory is equipped with 9 computer systems and the latest technology software Sanako. Our positive attitude towards modernization of information and communication technology proved to be a great boon for our students and faculty members during the unprecedented lockdown scenario which we faced on account of the outbreak of Covid-19 pandemic. The motivation of our dedicated staff members, coupled with able encouragement of the college administration, ensured that we were able to supply our students with adequate reading material, conduct classes on various online platforms, set and assess assignments, upload pre-recorded lectures, and take recourse to similar other methods to ensure that our students could study from the safety of their homes. A dedicated page was hosted on our college website for this purpose, where our faculty members uploaded reading material for our students. This page also has links to various open-access online educational resources, hosted by reputable national and international institutions, for the benefit of our students. We are proud to add that this endeavour of ours was duly appreciated by not only the Student community but also the Higher Education department, Government of West Bengal.

We have further enhanced our ICT infrastructure by launching an app on Playstore – BB College e-Connect – which will be of great help both for our students as well as staff members. Through the app, various data concerning daily academic and administrative activities in college may be accessed conveniently by all concerned stakeholders.

Details of Our App

Fees Slip: Using this tab student can see their payment slip, like: Semester I –II, Semester III-IV & Semester V-VI. When student successfully complete their payment then the payment slips are visible in the Fees Slip section.

Fees Payment : Using this tab student can pay their fees. But this system access is given by admin from Fees Software. Otherwise 'No Data Available' message is visible in this tab.

Exam Result: Under his tab student exam result are visible when students take their exam. Otherwise 'No Data Available' is visible in this tab.

Exam Answer: Here, students' exam answers are visible when student take their exam. Otherwise 'No Data Available' is visible in this tab.

Attendance: In this tab student can check their attendance details. First student must select month and year and then click the search button but there is a condition: if the student is present in that particular year then the particular year is visible under the year option.

Notice: In this section, college notices are visible which are also uploaded on the website using website admin panel.

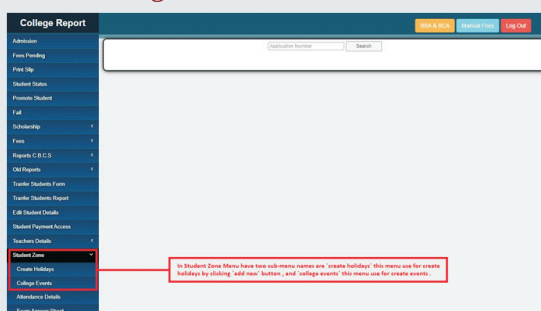

Special Notice: In this section, special notices are visible which are uploaded by the teacher himself/herself using their login panel.

Holidays: In this section all holidays are visible, which are uploaded by the college using the fees software. In the 'Student zone' menu, on the fees panel there is a sub menu named Create Holidays'. Using this sub menu the admin can upload list of holidays by clicking 'Add New' option.

Events: In this section, all events are visible, which are uploaded by the college on the fees software. In the 'Student zone' menu on the fees panel there is a sub menu named Create Events. Using this sub menu the admin can upload events by clicking 'add new' option.

Library Details: In this Section Library Book details are visible. Issued books and books which have been returned by the students are visible in this section. But if the student cannot take any book from the library, then 'data not available' message is shown

Student Zone : Student Zone status is dependent on students' attendance details and students' exam marks. If these two data are available for a particular student in the current session, then the said status is visible otherwise the system shows nothing.

Socio-cultural activities

The college believes in the holistic development of the students. Various cultural activities, competitions and programmes for social causes form a significant part of the curriculum.

Birth/Death Anniversaries of eminent Indians

Such events are celebrated to imbibe and exhibit Indian cultural and patriotic values among one and all. The birth anniversaries of Netaji Subhas Chandra Bose, Rabindranath Tagore, Mahatma Gandhi, and Kazi Nazrul Islam, among others, are observed with due respect. National Youth Day is celebrated every year on the birth anniversary of Swami Vivekananda. The College also remembers Rabindranath Tagore and Shahid Khudiram Bose on their death anniversaries.

Besides reminding our students of the contribution of eminent personalities to our nation, the college is committed to inspiring a spirit of national integration and patriotism among its students and staff. Thus, occasions like Independence Day and Republic Day are observed on campus with due care.

Antaryatik Matri Bhasa Divas

International Mother Language Day (21st February) is observed annually to pay homage to our country's rich linguistic and cultural diversity. Eminent litterateurs are invited to deliver speeches. This day is celebrated with songs, dance performances, recitation competitions etc.

International Yoga Day

The college is deeply concerned about the physical and mental health of its students and staff. International Yoga Day is observed to spread awareness of the benefits of Yoga and encourage students to engage in the same.

International Women's Day

The college celebrates International Women's Day with great enthusiasm, creating awareness about gender discrimination in society. Eminent personalities, especially those engaged in social work involving women empowerment, are invited to share their experiences. Various events like sit-and-draw and speech competitions are held to provide platforms to highlight and discuss gender issues.

Rakhi Bandhan Utsav

The Rakhi Bandhan Utsav symbolising unity and togetherness in the face of dangers and differences is celebrated enthusiastically every year by students and staff members.

Socio-cultural activities

Basanta Utsab & Bijaya Sammilani:

Spring festival & Bijaya Sammilani are special functions organised by students, teachers and staff to add to the cultural vibrancy of our college.

Saraswati Puja:

Saraswati Puja is another festival observed every year. All students and teachers participate in the festival.

Women's Rights Protection and Awareness Programme

The College believes in and promotes gender equality among its students through workshops, seminars and awareness programmes. The Women Development Cell, BB College, in collaboration with Lions Club Rupnarayanpur, organised a Women's Rights Protection and Awareness Programme on 28th October 2022.

World Menstrual Hygiene Day

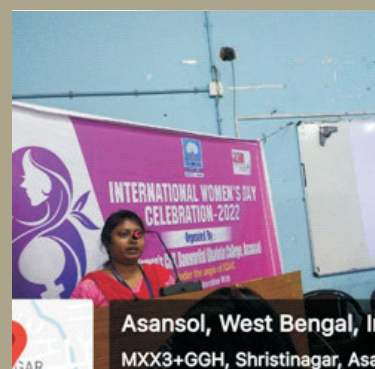

The world Menstrual Hygiene Day was celebrated on 28th May 2022 to create awareness about female hygiene and menstruation. In collaboration with NIPAA, the college was a part of the prestigious Project Baala, and sanitary napkins were distributed among the female students for free.

Mental Health Awareness and Thalassemia Awareness Programme

Keeping in mind the significance of mental health issues in the lives of our students and staff, the Women Development Cell of our college, in collaboration with the Lions Club of Asansol, organised a mental health awareness programme. The Cell also played an important role in arranging a Thalassemia Awareness Programme to impart information in regard to the medical condition.

Annual Social Programme –Sanhati

The college celebrates its annual social programme, Sanhati, during the spring season. Various cultural programmes, including poetry, drama, quiz/debates, and inter-departmental stall exhibition competitions, are organised. This programme lasts for three days, during which we witness the active and enthusiastic participation of students, teachers, and alumni members. The presence of celebrities adds charm to the programme.

Socio-cultural activities

Blood Donation Camp:

Blood Donation Camps are organised every year by the Students' Union of our college. In the past, several units of blood have been collected and deposited at Asansol District Hospital. Blood Donation Camps and other health awareness programmes organised by our college get overwhelming responses from different strata of the society. We hope to continue many such endeavours in future.

Sports:

Every year the college organises inter-class football and cricket tournaments as well as different inter-collegiate sports activities in its playground, which sees the active participation of students and teachers. The sports department possesses many types of equipment viz., Cricket kit, Football, Badminton rackets, shuttles, Javelin, Discus, Shot-put, uniforms, nets etc. There are separate Badminton courts for boys and girls and a Volleyball court for all. The common rooms of boys and girls are provided with indoor games such as table tennis, carrom, chess etc. A Cricket coaching camp is run on the college premises. Two separate concrete pitches have been prepared for cricket coaching purposes. The gymnasium has adequate equipment for the practice of students. The college organised a quiz for sports enthusiasts. Students are also encouraged to participate in sporting events at the university, district and state levels. Our students have won accolades at the Inter-College District Games & Sports Championship 2022-23, Inter-College District Football Tournament and National University Games.

International Day of Persons with Disabilities

3rd December has been observed as the International Day of Persons with Disabilities since 1992. In 2022, like the previous year, the Committee for Persons with Disability, BB College collaborated with 'SAHAS', Bidhannagar, Durgapur, to organise a one-day awareness programme on Accessible Technology and Disability.

Beagle Club

The College hosts a Nature Club, 'Beagle', that creates awareness among students and staff members about environmental issues by organising seminars, workshops, poster competitions, nature walks etc. The Club has taken a pioneering role in improving the greenery in the college campus by organising occasional tree plantation programmes. It also organised a one-day Inter College Poster Conference cum competition which received enthusiastic participation from students from nearby colleges.

Socio-cultural activities

Grass Table

Grass Table is a quarterly Online Newsletter first published in October 2020. It provides an opportunity to publish poems, short stories, articles, photographs etc. The editorial board members are Dr. Amitava Basu, Principal and Editor in chief, Dr. Soma Chakraborty, Sri Rajarshi Das, Dr. Santanu Banerjee, and Dr. Arunabha Sengupta. Recently, the editorial board has applied for e-ISSN for the News letter. Multiple issues of Grass Table have been brought out since its inception.

Meghe Dhaka Tara Cine Club

The college also boasts of a Cine Club that aims to bring together the admirers of cinema in the city, primarily focusing on regional cinema that seems to have been ignored in the wake of mainstream Hindi films. The Cine Club was announced at the webinar on 15th October 2020 and has been functioning consistently since then.

Career Counselling Cell

The Career Counselling and Placement Cell is presently coordinated by Dr Arnab Ganguli, who leads a dedicated team comprising Dr Snigdha Roy, Dr Shilpi Show Mandal, Dr Piyali Banerjee Paul, Dr Abhik Ghosh, Shri Santosh Bhagat and Shri Md Arif Akhter. With the guidance of our honourable principal Dr Amitava Basu, the career counselling and placement cell of Banwarilal Bhalotia College has grown in leaps and bounds. Ours is one of the very few general degree colleges having functional career counselling and placement services. The cell is in constant communication and contact with all faculties of the college through a networking group. New opportunities and notifications are posted on this network and the information reaches the students in their department groups. Apart from that, the students are encouraged to join the telegram group of the cell from the following link, <https://t.me/joinchat/RcFiZtzlK1ElyTOi>. The students are also encouraged to write about their career related problems to the email id careerplacementbbc@yahoo.com or WhatsApp on the number 8637841394, belonging to the coordinator. The aim of the cell is not only to provide career guidance and job placement opportunities to the students but also to develop attitude, soft and core skills required to improve the employability of students. The cell also aims to improve the confidence levels of students so that they can face job interviews positively. In order to guide students to successfully qualify in different competitive examinations, several workshops, conferences, webinars and coaching sessions are organised regularly. In this regard, memoranda of understanding have been signed by the cell with different well known coaching organisations. The cell additionally aims to polish research skills of students interested in research related academic careers. The coordinator of the cell is in constant communication with top corporate and research organisations for

आसनसोल : आसनसोल बीबी कॉलेज में साल 2022-23 में पास आउट बैच से 50 से अधिक शिक्षार्थियों को देश की जानी-मानी 15 निजी कंपनियों समेत सरकारी नौकरी में नियुक्त किया गया है। ऐसैनचर, विप्रो, टीसीएस, कैपजेमिनाई, माइंडट्री, बायजूस, कॉग्निजेंट, आईबीएम, शाकंभरी ग्रुप, श्यामसेल एंड पावर, अधर हाउसिंग फाइनांस लिमिटेड समेत कई बड़ी कंपनियों ने औसतन 2.5 लाख रुपये के पैकेज के साथ नियुक्त किया है। जानकारी के अनुसार ऐसैनचर 20, टीसीएस 1, शाकंभरी ग्रुप 6, आईबीएम 1 ने 2.5 लाख रुपये के पैकेज के साथ शिक्षार्थियों को प्रस्ताव पत्र सौंपा। वहीं विप्रो ने 3 उमीदवारों को 3.5 लाख के पैकेज के साथ नियुक्ति पत्र दिया। वहीं इस वर्ष की शुरुआत में कैपजेमिनाई व ऐसैनचर ने 2.5 लाख रुपये प्रति वर्ष में दो विद्यार्थियों को नियुक्त किया है। इसके अलावा सरकारी नियुक्ति क्षेत्र में बीबी कॉलेज के 6 विद्यार्थियों फॉरिस्ट व शिक्षा विभाग समेत रेलवे व अन्य विभागों में बाजी मारी है। इस विषय पर टीचर्स काउंसिल के सचिव अर्नव गांगुली ने कहा कि इस बार की नियुक्ति को लेकर वे बेहद खुश हैं। इस बार 99 प्रतिशत नियुक्ति कॉलेज के लिये बहुत ही अच्छी बात है।

Career Counselling Cell

Research related collaborations have been made by the cell with prestigious organisations like CMERI-Durgapur and Next Generation Scientist Lt, Lucknow with the aim to enable students to hone their research soft skills.

Several job opportunity and job training collaborations with related webinars and seminars have been made with Anudip foundation (Durgapur), Edubridge, George Telegraph, EduworlGuide, CLAPE Technologies, WIPRO, TCS, Boroline, Accenture, Capgemini, Shyamsel and Power, QMANSYS, AHFL (Aadhar Housing Finance Limited), NIIT-Asansol, AVM, Boroline, Shakhambhari, Super smelters and others. Efforts by the cell and the collaboration with Edubridge, Anudip and other companies resulted in the campus placement of over 50 students in prestigious companies and Government service with over Rs 3 lakh package.

Webinars to develop Soft skills in fields like BFSI, Data Cloud Computing, Internet of Things and Artificial Intelligence have been delivered by NIIT-Asansol, CMRI-Bangalore and QMANSYS respectively.

The college has a working collaboration with Rural Education and Medical Development Mission, to impart training in nursing to students. Additionally, the college is in the process to renew their memorandum of understanding with AIMS-Asansol in order to provide coaching to students for competitive examinations.

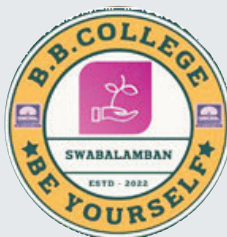

Internship opportunities for students have been organized by the cell with Photoshoot and Anudip foundation.

Several interview opportunities and network training workshops have been organized with important companies like Boroline, Shakhambhari, Shyamsel and Power, Super Smelters, George Telegraph etc.

Entrepreneurship skill workshops have been organized for students.

The career counselling and placement cell welcomes the new students to the college and sincerely hopes that they will enthusiastically avail the services provided by the cell and achieve success in life.

Detailed Report on Entrepreneurship Development Cell – Swabalamban, Banwarilal Bhalotia College, Asansol

On 15th July, 2022, Entrepreneurship Development Cell - Swabalamban was established to support women entrepreneurs of Asansol and its adjacent areas and to promote entrepreneurship among students. Dr. Abhik Kumar Mukherjee, Assistant Professor, Department of Business Administration, The University of Burdwan, Dr. Gautam Mazumdar, National Resource Person, National Rural Livelihood Mission (NRLM), Government of India, Mr. Uttam Laha, Industrial Development Officer, District Industries Center, Paschim Bardhaman, Mr. Soumen Chatterjee, President, Asansol Merchants Chamber of Commerce & Industry, Mr. Sambhu Nath Jha, Honorary Secretary, Asansol Chamber of Commerce were present as chief guests in the inauguration ceremony. Both Asansol Merchants Chamber of Commerce & Industry and Asansol Chamber of Commerce had assured us of all possible assistance to make this endeavor a success. The Department of Commerce (Hindi Shift) is mainly looking after its operation. All the faculty members are working by putting every effort towards achieving its goal. Our faculty Dr. Santanu Mallick is currently the coordinator of this cell. The cell has made a collaboration with The Global Links Initiative (TGLI), a crosscultural training program for promoting entrepreneurship among women entrepreneurs and students by providing social entrepreneurial skills among them. It is mainly operating in the developing countries like Iraq, India and Brazil. We even got financial assistance from Rotary Club, Asansol and they promised to provide financial support in the future also. On 13th December, 2022, the entire team of The Global Links Initiative (TGLI) had visited our college, where they met with the women entrepreneurs and students of our college.

Prof. Sharmistha Banerjee, Professor, Department of Business Management, University of Calcutta, Prof. Arijita Dutta, Professor, Department of Economics, University of Calcutta interacted with the women entrepreneurs and gave a patient hearing to their problems. They made a presentation about The Global Links Initiative. The cell has organized several work shops and seminars on Entrepreneurship. On that very day, an exhibition was organized in the college premises on behalf of the Entrepreneurship Development Cell-Swabalamaban. Three of our associated women entrepreneurs have participated in the Product-Poster Exhibition in the University of Calcutta on the occasion of ICSSR sponsored Two days National Level Seminar on SIGNIFICANCE OF ENTREPRENEURSHIP IN THE SUSTAINABLE ECONOMIC DEVELOPMENT OF INDIA under the theme 'Azadi Ka Amrit Mahotsav' on 19th & 20th January, 2023. They have attended one workshop on "In expensive Traditional Marketing for Micro Entrepreneurs" at the University of Calcutta. The speaker was Dr. Dev Narayan Sarkar, Sales, Strategy and Franchise Director, (India, Nepal Bhutan & Sri Lanka), Pepsi Co India. Currently 20 women entrepreneurs and 35 students from the

ENTREPRENEURSHIP DEVELOPMENT CELL SWABALAMBAN

Department of Commerce (Hindi Shift) and Department of Economics have registered with The Global Links Initiative (TGLI). On 21st of February, 2023, 13 students and 2 women entrepreneurs went to Kolkata to meet Dr. Mary Conway Dato-on, Faculty Director, The Global Links Initiative (TGLI). Our students made their presentation about the business of their as signed entrepreneurs at the University of Calcutta, Alipore Campus. Dr. Mary Conway Dato-on, Faculty Director, The Global Links Initiative (TGLI) has chaired the session and appreciated our students' efforts. On 23rd February, 2023 two of our associated women entrepreneurs participated in the products

held on American Centre, Kolkata. On 24th February, 2023 a workshop on subsidized financial assistance provided by MSME held in college. The Entrepreneurship Development Cell – Swabalamban has several activities and initiatives set up in the near future as it strives to attain greater heights.

Inauguration Ceremony on 15th July, 2022

Product Exhibition on 1st December, 2022

Collaboration Document with The Global Links Initiative (TGLI) given on 13th December, 2022

Product- Poster exhibition at University of Calcutta Alipore Campus, Kolkata on 19th & 20th January, 2023

ENTREPRENEURSHIP DEVELOPMENT CELL SWABALAMBAN

Workshop "Inexpensive Traditional Marketing for Micro Entrepreneurs" at the University of Calcutta on 19th January, 2023

Workshop on different kind of subsidized credit facilities by MSME for the entrepreneurs on 24th February, 2023

Students made their presentation about the business of their assigned entrepreneurs in front of Dr. Mary Conway Dato-on, Faculty Director, The Global Links Initiative (TGLI) at the University of Calcutta, Alipore Campus on 21st February, 2023

ASANSOL SOCIETY FOR SOCIAL WELFARE & YOUTH EMPOWERMENT, WEST BENGAL, INDIA in Collaboration with BANWARILAL BHALOTIA COLLEGE

Banwarilal Bhalotia College, Asansol, West Bengal and Asansol Society for Social Welfare & Youth Empowerment are linked by common social, academic and youth development interest and seek to develop collaboration in fields of shared interest and expertise. The MoU is signed on 15th March, 2023 to promote mutual cooperation between Asansol Society for Social Welfare & Youth Empowerment (ASSWYE) and Banwarilal Bhalotia College, Asansol. The Society was registered under Registration of Societies West Bengal Act XXVI of 1961- S/2L/No. 49118 of 2015-2016 on 22th January 2016. Now it is also affiliated under NEHRU YUVA KENDRA, Durgapur, Ministry of Youth Affairs and Sports, Government of India (Certificate No-6218-0345).

The organization was established with the moto of promoting good and healthy practice to every youth. It is observed that the youth of this industrial coal belt were diverted towards unsocial activities and had lack of interest in physical exercise, sports, participation in cultural programs, and awareness for different competitive examinations for their future. Therefore involvement of youth in Scouting, Trekking, Swimming, Shooting and other different adventures activities will help them to change their mental and spiritual sense and develop their self-confidence and self-dependence. Such quality development will help them to get success in any field. Here lies the importance of Asansol Society for Social Welfare & Youth Empowerment (ASSWYE) which will help to promote and encourage advancement of academic and scientific education among the students.

Some of the recent activities taken by Asansol Society for Social Welfare & Youth Empowerment (ASSWYE) in collaboration with Banwarilal Bhalotia College include:

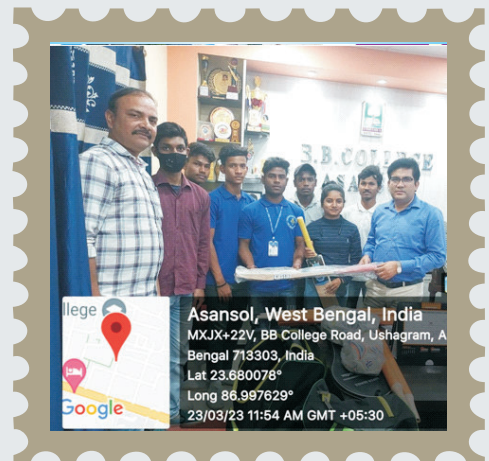

Blood Donation Camp in collaboration with NCC, Banwarilal Bhalotia College

*Cricket Match to involve youths

NETAJI SUBHAS OPEN UNIVERSITY
BANWARIALAL BHALOTIA COLLEGE LEARNER SUPPORT CENTRE (C-02)
COORDINATOR: DR CHANCHAL KUMAR BISWAS,
Email-ckbbot@yahoo.com

Netaji Subhas Open University is the premier State Open University in India. The year 1997 was the birth centenary year of Netaji Subhas Chandra Bose. The Chief Minister of West Bengal made an announcement at a State function that an Open University would be set up soon in the name of Netaji Subhas Chandra Bose. Following this, a State Act (W.B. Act (XIX) of 1997 and recognized by U.G.C.) was passed on 20th August 1997 in favour of opening a University for imparting Distance Education. It is the 14th Open University of the country and the 13th State Open University. The Netaji Subhas Open University started functioning from July 1998 with a Bachelor's Degree Programme (BDP) in Arts & Commerce.

B. B. College study centre of NSOU has been running since the inception of this University with arts and commerce subjects only, but in 2014 all science subjects (with Honours) were introduced. At present, it has eleven honours subjects (Bengali, English, Education, Pol. Science, History, Accountancy, Physics, Chemistry, Mathematics, Geography, Zoology and Botany) in three streams. Several post-graduate courses like Bengali, English, Pol. Science, Social work, Public administration, History, Education, Mathematics, Library Science, English Language Teaching and Commerce are also running satisfactorily. The University has implemented New Choice based credit System (CBCS) pattern for under graduate programmes from the academic year 2021-2022.

Several PG Course are also running smoothly in this LSC. Most of the counseling sessions for PG course is conducted in the Regional Centre, Netaji Subhas Open University, Durgapur. The PG courses are Bengali (PGBG), English (PGEG), English Language Teaching (PGET), History (PGHI), Political Science (PGPS), Public Administration (PGPA), Mathematics (PGMT), M.A. in Education (PGED), Commerce (M.Com.), Social Work (MSW), Library and Information Science (MLIS), Journalism & Mass Communication (PGJM).

Other Professional Courses:

Some Professional Course Like Bachelor in Library and Information Science (BLIS), Journalism & Mass Communication (PGDJMC), Public Relations and Advertising (PGDPR & Ad.), English Language Teaching (PGDELT) also offer from this LSC.

For eligibility criteria and other details please visit University Website or visit B. B. College Learner Support Centre (LSC) on Saturdays and Sundays between 12 noon to 4 pm

Admission Session:

- 1. Under Graduate Course- June***
- 2. Post Graduate Course-December***
- 3. Other Professional Courses- December***

FROM THE DESK OF THE COORDINATOR, IGNOU STUDY CENTRE

The Indira Gandhi National Open University (IGNOU), established by an Act of Parliament in 1985, has continuously striven to build an inclusive knowledge society through inclusive education. It has tried to increase the Gross Enrolment Ratio (GER) of the country by offering high-quality teaching through the Open and Distance Learning (ODL) mode. Today, it serves the educational aspirations of over 3 million students in India and abroad through 21 Schools of Studies. The University offers about 228 certificate, diploma, degree and doctoral programmes. The Indira Gandhi National Open University, the National Resource Centre for Open and Distance Learning, with international recognition and presence, shall provide seamless access to sustainable and learner-centric quality education, skill up gradation and training to all by using innovative technologies and methodologies and ensuring convergence of existing systems for large-scale human resource development, required for promoting integrated national development and global understanding. The University has made a significant mark in the areas of higher education, community education and continual professional development. The University has been networking with reputed public institutions and private enterprises for enhancing the educational opportunities being offered by it. As a world leader in distance education, it has been conferred with awards of excellence by the Commonwealth of Learning (COL), Canada, several times. The degrees /diplomas/ certificates awarded by the university are at par and also have full recognition from the UGC as well as AICTE.

The University offers as many as 78 certificate programmes in different useful disciplines having minimum course duration of six months (with a maximum of 2 Years). Study centre at our college was established in 1997 and around 2500 learners enrolled every year in different courses of study. It was definitely an opportunities for the regular students of our college to pursue any certificate programmes in their own choice as an add-on programmes without devoting any extra time to the same. This may help in building carrier opportunities in future. The following certificate programmes are activated at our college study centre. Students may choose any of the following according to their own choice and convenience.

MAULANA AZAD NATIONAL URDU UNIVERSITY

COORDINATOR : DR. MD. MASHKOOR ALAM

Maulana Azad National Urdu University (MANUU) is a Central University, established by an Act of Parliament in 1998 with pan-India jurisdiction. The headquarters and main campus of MANUU is in Gachibowli, Hyderabad. It is spread over 200 acres. MANUU is recognized as a major higher education service provider across the remote areas of the country in Urdu Medium through its regular and distance mode programs. MANUU commenced with distance education programs in 1998 and consolidated its academic and research programs in 2004.

The University has initiated its distance mode programmes from its year of inception. The DDE has set up 9 Regional Centres (Delhi, Patna, Bangalore, Bhopal, Darbhanga, Srinagar, Kolkatta, Mumbai, Ranchi) and 5 Sub-Regional Centres (Hyderabad, Jammu, Amravati, Lucknow, Nuh) across the country so as to provide academic and administrative support to the students.

The B. B. College Distance Education centre of MANUU offers various courses to students, as described below.

DIRECTORATE OF DISTANCE EDUCATION Directorate of Distance Education (DDE) started its functioning from 1998, the year of inception of the university with distance mode BA program. At present, the Directorate offers UGC - Distance Education Bureau (DEB) approved distance mode programs at various levels viz., three PG (MA in Urdu, English and History); four UG programs (BA, B.Sc. -Life Science, B.Sc. -Physical Science and B.Ed); two Diplomas (Diploma in Journalism and Mass Communication, Diploma in Teach English) and Two certificate programs (Proficiency in English through English and Functional English for Urdu Speakers). The Directorate plans to re-start B.Com. and M.A. (Islamic Studies), and to introduce new programs - MA (Arabic) and MA (Hindi) and few Diploma programs from the academic year 2018. The Directorate has set-up network of nine regional centers (at Bengaluru, Bhopal, Darbhanga, Delhi, Kolkata, Mumbai, Patna, Ranchi, Srinagar) and five Sub-regional centers (at Hyderabad, Lucknow, Jammu, Nuh and Amravati) to provide student support services and management of 158 Learners Support Centers spread across the country. All the programs of DDE are offered on annual system. The University conducts term end examinations for all above mentioned programs offered by DDE every year. The Degrees, Diploma, Certificates awarded by the University are at par with the certificates of other Central Universities. As on date, there are approximately 40,000 students on DDE's rolls.
