Total	**22**	**22**	**28**	**28**	**24**	**24**

1. **Core courses:** A student will study 14 core courses in the Economics honours subject as indicated in the table.
2. **Discipline Specific Elective (DSE)**

   A student will choose four DSE courses related to his/her honours subject in the V and VI semesters.
3. **Generic Electives:** A student will choose subjects other than the honours courses. They will study four G.E paper in the course.
4. **Ability Enhancement Courses (AEC)**
   a. Ability Enhancement Compulsory Courses (AECC):

      Sem-I: Environment Studies, and **Sem-2: English/**MIL Communication (Bengali/English/Hindi/Urdu)

   b. Skill Enhancement Courses (SEC): in the 3rd and 4th semester.

Eligibility to appear for Exam

A candidate shall be eligible for appearing at any of the Semesters of U.G. Examination, fulfilling the following two essential conditions:

- Minimum 75% attendance of lectures delivered.
- Submission of stipulated fees as prescribed by the University / College.

Full Marks 50 in Theory papers

A. There will be 40 marks in theoretical part of each end semester examination

B. Internal 10 marks may be awarded by MCQ/Class Test/Assignments/PPT

All the internal continuous evaluation will be conducted by the internal teachers of the concerned Dept. of the University / concerned College. It shall be on the basis of MCQ/Seminar presentations/Class tests or any combinations thereof, evenly distributed over the entire period of study. The modalities of such assessment be recorded and documents will be preserved by the respective Dept. of the University / concerned College. and those must be submitted to the Controller of Examinations in schedule time as notified by the Department of Controller of Examinations.

Pass mark in any course in any semester is 40% of the full marks of the course both for Honours and Program courses. In case of courses having theoretical and practical parts a minimum of 20% is to be scored each in theoretical and practical parts by the candidates.

4.4 Results

4.4.1 Grading on 7 point scale

Based on the performance of students, each student will be awarded *Grade* at the end of the semester following seven point grading system. The letter grades and the corresponding grade points** are as follows:

Grade	Percentage of Marks	Grade Point
'E'(Excellent)	90 - 100	10
'A'(Very Good)	80- Less than 90	9
'B'(Good)	70 - Less than 80	8
'C'(Above Average)	60 - Less than 70	7
'D'(Average)	50- Less than 60	6
'P'(Pass)	40 - Less than 50	5
'F'(Absent/Fail)	Below 40	0

**Further there shall be another grade 'I' (with Point 0) for students for whom disciplinary actions remain pending.*

*** to be implemented from the Batch 2021-22*

4.4.2 Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA)

The Semester Grade Point Average (SGPA) will be computed in each semester as per the following formula

$$SGPA = \frac{\sum_{i=1}^{n} Ci\ Gi}{\sum_{i=1}^{n} Ci}$$

C_i = The number of credits allotted to a particular course
G_i = Grade points corresponding to the grade awarded for the course
i = 1,2,....., n represent the number of courses in which a student is registered in the concerned semester.

The SGPA is rounded off to two decimal places.
The Cumulative Grade Point Average (CGPA) will be computed at the end of each semester as per the following formula

$$CGPA = \frac{\sum_{i=1}^{n} * Ci\ Si}{\sum_{i=1}^{n} * Ci}$$

$* C_i$ = Total credits of the corresponding semesters
S_i = SGPA of the corresponding semesters
i = 1,2,....., n represent the number of courses in which a student is registered in the concerned semester.

The CGPA is rounded off to two decimal places.

Conversion of SGPA and / or CGPA into percentage marks: In case of a specific query by students/employers regarding conversion of SGPA/CGPA into percentage marks, the under mentioned formula is to be adopted:

The formula is: % of Marks = SGPAx 10 orCGPA x 10

Department of Microbiology

Ref. No. Date: 23.10.2021

NOTICE

This is hereby informed to all the students of 1st semester 2021 that B. Sc Microbiology (Honours) Semester-I regular classes will be commenced on and from 25/10/2021 through online mode. An Induction class will be held on 25/10/2021 at 11 A.M for the same where you will be explained with all the basic ideas and information that you must need to start your 1st semester class with a clear over all concept.

Therefore all the students are asked to present to the class positively.

SUBJECT TO BE EXPLAINED

1. Entire course pattern and papers
2. Marks division of papers
3. Syllabus
4. Exam patterns and marks
5. Attendance
6. Basic rules and regulations
7. Online classes

Learning Outcomes based Curriculum Framework (LOCF) for MICROBIOLOGY Undergraduate Programme

w.e.f. 2021-22

Scanned with CamScanner

(HONOURS)
Semester-I

Course Name: Microbial World and Principles of Microbiology
Course Code: BSCHMCBC101

Content/ Syllabus:

(Theory)

Unit – 1: History of Microbiology and introduction to the microbial world. Germ theory of disease, golden era of microbiology. Contributions of Antony von Leeuwenhoek, Louis Pasteur, Robert Koch, Joseph Lister, Alexander Fleming, Martinus W. Beijerinck, Sergei N.Winogradsky,

Unit – 2: Binomial Nomenclature, Whittaker's five kingdom and Carl Woese's three kingdom classification systems and their utility. General characteristics of Cellular microorganisms, wall-less forms - MLO (mycoplasma and spheroplasts) with emphasis on distribution and occurrence,

Unit – 3: General concept of phytoplanktons and zooplanktons. General characteristics, structure, mode of reproduction and economic importance of actinomycetes, General characteristics, occurrence, structure, reproduction and importance of protozoa.

Unit – 4: Methods of studying microorganism; Staining techniques: simple staining, Gram staining, negative staining and acid-fast staining. Sterilization techniques (physical & chemical sterilization). Culture media & conditions for microbial growth.Pure culture isolation: Streaking, serial dilution and plating methods; cultivation, maintenance and preservation of pure cultures.

Unit – 5: Beneficial and harmful microbes and their role in daily life.

LAB COURSE (Practical)

1. Microbiology Good Laboratory Practices and Bio-safety.
2. To study the principle and applications of important instruments (biological safety cabinets, autoclave, incubator, BOD incubator, hot air oven, light microscope, pH meter) used in the microbiology laboratory.
3. Preparation of culture media (liquid & solid) for bacterial cultivation.
4. Handling and care of laboratory equipment - autoclave, hot air oven, incubator and laminar airflow.
5. Sterilization of media using autoclave and assessment of sterility.
6. Sterilization of glassware using a hot air oven.
7. Sterilization of heat sensitive material by membrane filtration.
8. Demonstration of the presence of microflora in the environment by exposing nutrient agar plates to air.
9. Study of microbes using temporary / permanent mounts- *Rhizopus*, *Penicillium*, *Aspergillus, Spirogyra, Chlamydomonas, Volvox, Amoeba.*

Course Name: Bacteriology and Systematics
Course Code: BSCHMCBC102

Scanned with CamScanner

Content/ Syllabus:

(Theory)

Unit – 1: Cell size, shape and arrangement, capsule, flagella, fimbriae and pili. Cell-wall: Composition and detailed structure of Gram-positive and Gram-negative cell walls, archaebacterial cell wall, Gram and acid-fast staining mechanisms, lipopolysaccharide (LPS), sphaeroplasts, protoplasts, and L-forms. Effect of antibiotics and enzymes on the cell wall. Cell Membrane: Structure, function and chemical composition of bacterial and archaeal cell membranes. Cytoplasm: Ribosomes, mesosomes, inclusion bodies, nucleoid. Endospore:Structure, formation, stages of sporulation.

Unit – 2: Gram negative and Gram positive bacteria: characteristics and examples. Study of typical eubacteria (*Bacillus, Clostridium, Staphylococcus, Streptococcus, Mycobacterium,Escherichia*)

Unit – 3: Nutritional requirements in bacteria and nutritional categories. Culture media: components of media, natural and synthetic media, chemically defined media, complex media, selective, differential, enriched and enrichment media. Physical methods of microbial control: heat, low temperature, high pressure, filtration, desiccation, osmotic pressure, radiation. Chemical methods of microbial control: disinfectants, types and mode of action.

Unit – 4: Aim and principles of classification, systematics and taxonomy, concept of species, taxa, strain; conventional, molecular and recent approaches to evolutionary Chronometers, rRNA oligonucleotide, sequencing and its importance. Differences between eubacteria and archaebacteria.

Unit – 5: General characteristics, phylogenetic overview of archaebacteria. Introduction to Nanoarchaeota (Nanoarchaeum), Crenarchaeota (Sulfolobus, Thermoproteus) and Euryarchaeota [Methanogens (Methanobacterium, Methanocaldococcus), thermophiles (Thermococcus, Pyrococcus, Thermoplasma), and Halophiles (Halobacterium, Halococcus)].

LAB COURSE (Practical)

1. Preparation of different media: synthetic media, complex media- Nutrient agar, McConkey agar, EMB agar.
2. Simple staining
3. Negative staining
4. Gram staining
5. Capsule staining
6. Endospore staining.
7. Isolation of pure cultures of bacteria by streaking method.
8. Preservation of bacterial cultures by various techniques.
9. Estimation of CFU count by spread plate method/pour plate method.
10. Motility by hanging drop method.

REPORT

INDUCTION MEETING

Dept. of Microbiology, B.B College, Asansol

25th October, 2021

An Induction meeting was organised by the Department of Microbiology on 25/10/2021 at 11a.m for the 1st semester students (Batch: 2021-2022) of Microbiology Honours course. The key purpose of the meeting was to explain the following topics:-

1. The overall course study pattern
2. Marks division of papers
3. Mode of examination & question pattern
4. Syllabus
5. Attendance
6. Basic rules & regulation

Meeting was held in the presence of all 4 faculties of the department along with 38 students (making a total of 42 participants). Information and ideas regarding their course study were explained to students with a clear visual representation so that they can resume their UG academic classes with ease. Documents of the minutes of the meeting are provided below through a Google drive link.

বাংলা বিভাগের পক্ষ থেকে সকলকে স্বাগত, তোমরা ইতিমধ্যে সকলেই জেনে গিয়েছো আজ থেকে তোমাদের ক্লাস আরম্ভ হওয়ার কথা. কিছু আর্জেন্ট কথা বলে রাখতেই হচ্ছে তোমাদের
ক্লাস অনলাইন মোড এ গুগল মিট প্লাটফর্ম এ হবে
প্রত্যেকে প্লে স্টোর থেকে গুগল মিট এপস্স ডাউনলোড করে নাও
ক্লাস চলাকালীন প্রত্যেকে ভিডিও ও সাউন্ড অফ রাখবে. তবে কারো কোনো প্রশ্ন থাকলে কিংবা বিভাগে কিছু শেয়ার করার থাকলে আনমিউট করার অপশন এ ক্লিক করে কথা বলতে পারবে
প্রত্যেকে সময়মতো ক্লাসে উপস্থিত হবে
তোমাদের রুটিন যথা সময়ে দিয়ে দেওয়া হবে.
ড. বিউটি কর্মকার
বিভাগীয় প্রধান

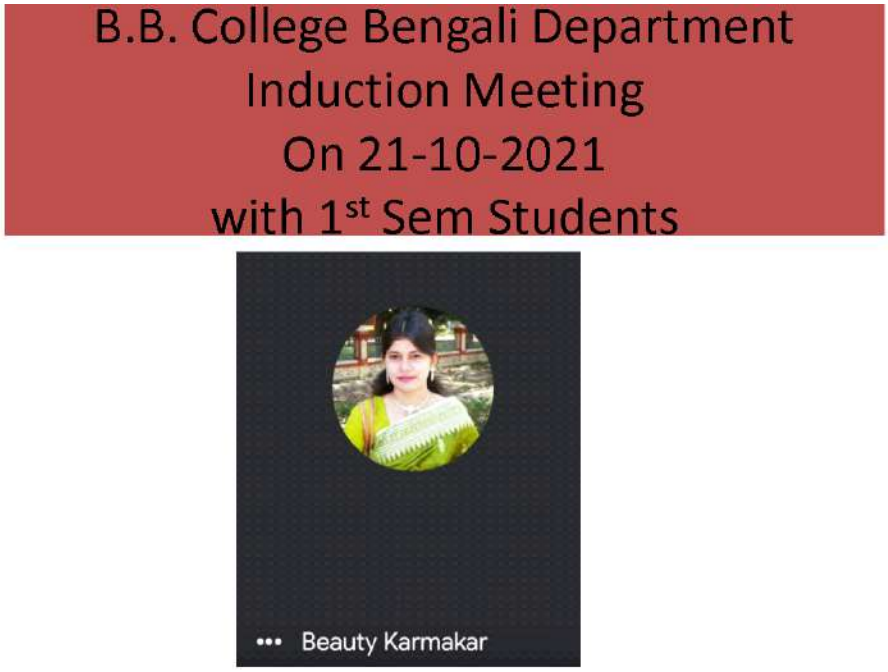
3 . **Meeting detail**

To make the discussion live and interactive; sharing and presentation through Power Point slides were made. The replica of one of such presentation is shown hereunder:



It has the following basic elements:

- Semester : The Assessment is done semester wise . Two Consecutive (one odd (July-Dec)) plus one even (Jan to Jun) Semesters continue one academic year.
- Credit System : Each Course is assigned a certain credit. Credit is a unit by which the course work is measured
- A candidate shall be eligible for appearing at any of the semesters of UG Examinations, fulfilling the essential conditions of minimum 75% attendance of lectures delivered.
- Pass Mark in any Course in any Semester is 40 % of the full marks of the course for Honors Course.

BANWARILAL BHALOTIA COLLEGE, ASANSOL
EDUCATION DEPARTMENT
CLASS INDUCTION MEETING REPORT

To,
The Principal

As the Head of the Department of Education I am submitting the report about the induction class of the 1st semester 2021-22. As for your instruction, the induction meeting of 1st semester students was held on today 25-10-2021, Monday. The Student's has been clarified in every aspect; routine, syllabus, question pattern, evaluation system and they are instructed to keep in mind about the importance of the class and their minimum attendance records. Few students weren't able to attend the class, But I expect they will definitely attend the classes regularly in future.The details of the induction meeting are given below.

Details of the induction meeting :

1	WhatsApp Group 1st Semester -	formed on 5th October 2021
2	Prior Notice regarding the commencement of Class was given on-	16th October 20th October 24th October
3	Class link provided 10 minutes before class.	7.50 am
4	Total Number of students enrolled -	35
5	Total Numbers of student's present -	21
6	Total numbers of student's absent-	14
7.	Duration of the Class -	1hour (8-9am) 25/10/2021
8.	Documents provided -	Routine, Syllabus ..etc
9.	Medium of the Class -	Google meet

Link of the screen shots and other materials :

Induction Meeting Report 2021

Department of Physics, B. B. College

The Induction Meeting was conducted between the teachers of Physics Department and the students of BSc Physics 1st Semester on 25th October 2021 at 11 am through Google Meet. Dr. Kajal Krishna Dey has delivered a Power Point Presentation on CBCS pattern, Curriculum, Evaluation System and Grading system. Dr. R. K. Roy, Dr. J. K. Majhi and Shri Kajal Maji has also delivered lectures on the above topics and Generic Papers, Question Pattern etc. There were 43 participants in the Online Induction Meeting including teachers and students of BSc Physics 1st Semester. The teachers have also answered to various questions and queries of the students. I am attaching the screen shots of the Induction Meeting and the Google link in the Whatsapp Group of BSc Physics 1st Semester students.

(CBCS system) Choice Based Credit System

Semester System and Choice Based Credit System

The Indian Higher Education Institutions have been moving from the conventional annual system to semester system.

It has the following basic elements:

- **Semesters:** The assessment is done semester wise. Two consecutive (one odd (July-December)+ one even (January-June) semesters constitute one academic year.
- **Credit system:** Each course is assigned a certain credit. Credit is a unit by which the course work is measured.
- A candidate shall be eligible for appearing at any of the Semesters of U.G. Examination, fulfilling the essential conditions of Minimum 75% attendance of lectures delivered.
- Pass mark in any course in any semester is 40% of the full marks of the course both for Honours and Program courses. In case of courses having theoretical and practical parts a minimum of 20% is to be scored each in theoretical and practical parts by the candidate.

Types of Courses: for Honous Students:

Courses in a programme may be of three kinds: **1. Core 2. Elective and 3.Foundation.**

1. Core Course :
This is the course which is to be compulsorily studied by a student as a core requirement to complete a programme in a said discipline.

2. Elective Course:

a) "Generic Elective" (GE): An elective course chosen generally from a discipline other than the main discipline, i.e., interdisciplinary in nature. For ex. A student of Physics Honours has to choose any paper other than Physics like, Math, Chemistry etc.

b) Discipline Specific Elective (DSE) Course: which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline.

3. Foundation Course:

The Foundation Courses may be of two kinds: **Compulsory Foundation and Elective foundation.**

Compulsory Foundation or **Ability Enhancement Compulsory Courses (AECC) like:** Environmental Studies (ENVS), English Communication/MIL (modern Indian language other than English) Communication.

Elective foundationcourse may be termed as Skill Enhancement Courses (SEC): These courses may be chosen from a pool of courses designed to provide value-based and/or skill-based knowledge.

SCHEME FOR CHOICE BASED CREDIT SYSTEM IN B.A/ B.SC/ B.COM/BBA/BCA Honours Courses (Table:I)

Semester	Paper 1	Paper 2	Paper 3	Paper 4	Paper 5	Total Marks
I	CORE 1	CORE 2	GE 1	ENVS	------	200
II	CORE 3	CORE 4	GE 2	ENG/ MIL*		200
III	CORE 5	CORE 6	CORE 7	GE 3	SEC 1	250
IV	CORE 8	CORE 9	CORE 10	GE 4	SEC 2	250
V	CORE 11	CORE 12	DSE 1	DSE 2		200
VI	CORE 13	CORE 14	DSE 3	DSE 4		200

In Semester II a student may opt for any one language out of English /Bengali/Hindi/Urdu as compulsory Language subject. Students must keep in mind that there is a basic difference between conventional annual system and CBCS that under

CBCS all the papers are taken into consideration at the time calculating their percentage of marks. Even ENVS, ENG/MIL, GE, SEC all papers have equal importance.

SCHEME FOR CHOICE BASED CREDIT SYSTEM IN B.A/ B.COM/ Proeramme Courses: (Table-II)

Semester	Paper 1	Paper 2	Paper 3	Paper 4	Total Marks
I	CORE (main discipline)*	CORE(other discipline)*	MIL1 (BENG/HINDI /URDU / Alt. English)	ENVS	200
II	CORE (main discipline)	CORE(other discipline)	MIL2 (ENGLISH)	ENG/ MIL	200
III	CORE (main discipline)	CORE(other discipline)	MIL1 (BENG/ HINDI/URDU /Alt. English)	SEC 1	200
IV	CORE (main discipline)	CORE(other discipline)	MIL2 (ENGLISH)	SEC 2	200
V	DSE (main discipline)	DSE (other discipline)	GE 1	SEC 3	200
VI	DSE (main	DSE (other	GE 2	SEC 4	200

CBCS PATTERN - Word
3.5 Results
3.5.1 Grading on 10 point scale
Based on the performance of students, each student will be awarded Grade at the end of the semester following seven point grading system. The letter grades and the corresponding grade points are as follows:
Qualification | Grade | % of Marks | Point
Excellent | 'E' | 90 - 100 | 10
Very Good | 'A' | 80- 89 | 9
Good | 'B' | 70 - 79 | 8
Fair | 'C' | 60 - 69 | 7
Average | 'D' | 50- 59 | 6
Pass | 'P' | 40 - 49 | 5
Fail | 'F' | Below 40 | 0
*Further there shall be another grade 'I' (with Point 0) for students for whom disciplinary actions remain pending.
3.5.2 Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA)
The Semester Grade Point Average (SGPA) will be computed in each semester as per the

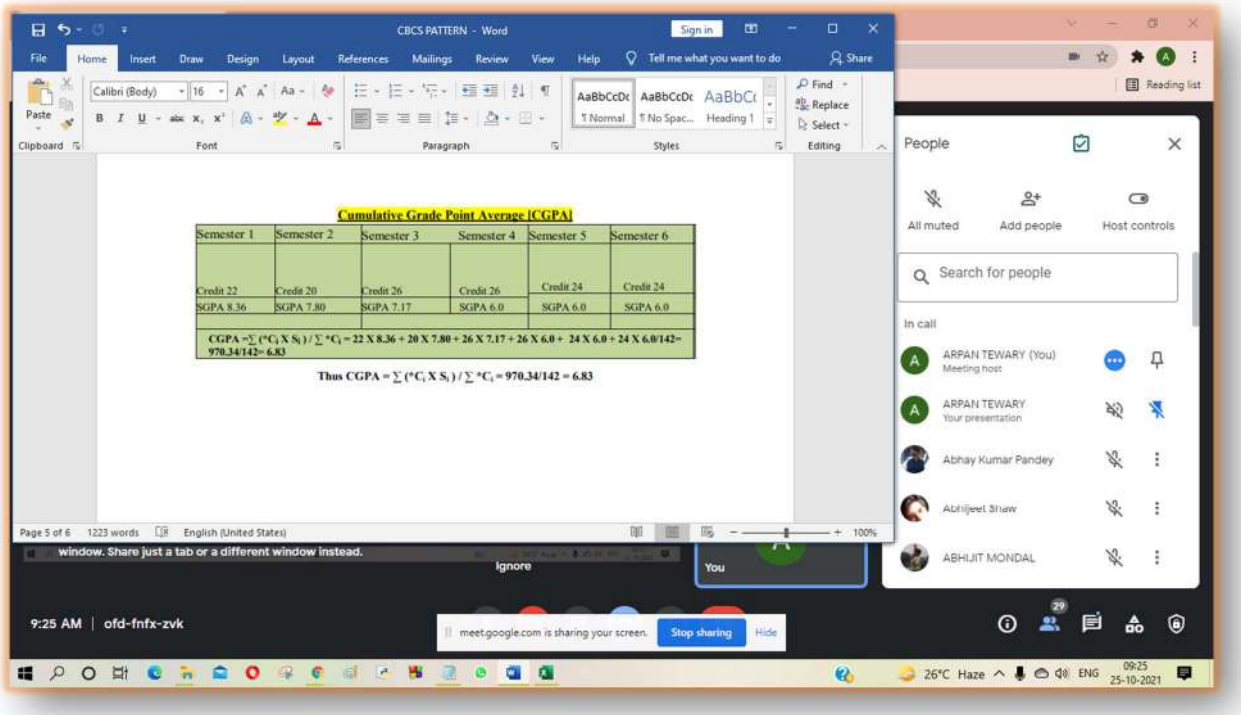
3.5.3 Illustration of SGPA & CGPA

Semester Grade Point Average (SGPA)

Course	Credit (C_i)	Letter Grade	Grade Point (G_i)	Credit Point ($C_i \times G_i$)
Core – 1	6	O	10	60
Core – 2	6	B	7	42
GE-1	6	B	7	42
ENVS	4	O	10	40
	22			184

Thus SGPA (S_i) = $\sum (C_i \times G_i) / \sum C_i$ = 184/22 = 8.36

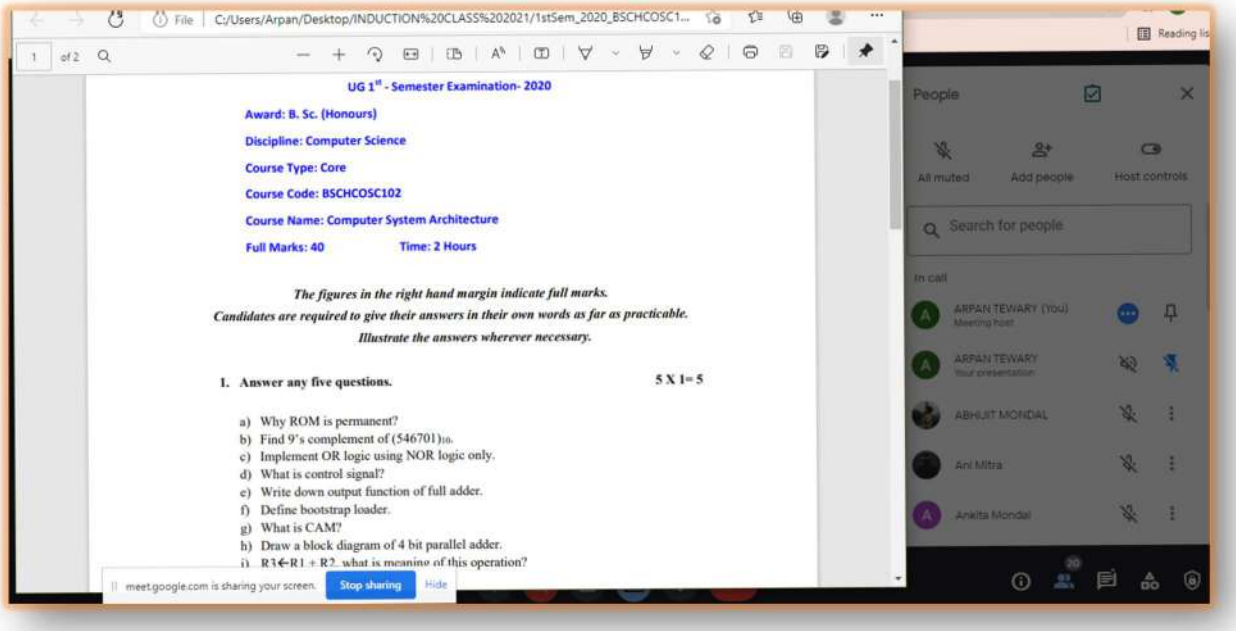


Cumulative Grade Point Average [CGPA]

Semester 1	Semester 2	Semester 3	Semester 4	Semester 5	Semester 6
Credit 22	Credit 20	Credit 26	Credit 26	Credit 24	Credit 24
SGPA 8.36	SGPA 7.80	SGPA 7.17	SGPA 6.0	SGPA 6.0	SGPA 6.0

CGPA =$\sum (^{\circ}C_i \times S_i) / \sum {}^{\circ}C_i$ = 22 X 8.36 + 20 X 7.80 + 26 X 7.17 + 26 X 6.0 + 24 X 6.0 + 24 X 6.0/142= 970.34/142= 6.83

Thus CGPA = $\sum (^{\circ}C_i \times S_i) / \sum {}^{\circ}C_i$ = 970.34/142 = 6.83



C:/Users/Arpan/Desktop/INDUCTION%20CLASS%202021/1stSem_2020_BSCHCOSC1...
UG 1st - Semester Examination- 2020
Award: B. Sc. (Honours)
Discipline: Computer Science
Course Type: Core
Course Code: BSCHCOSC102
Course Name: Computer System Architecture
Full Marks: 40
Time: 2 Hours
The figures in the right hand margin indicate full marks.
Candidates are required to give their answers in their own words as far as practicable.
Illustrate the answers wherever necessary.
1. Answer any five questions. 5 X 1= 5
a) Why ROM is permanent?
b) Find 9's complement of (546701)10.
c) Implement OR logic using NOR logic only.
d) What is control signal?
e) Write down output function of full adder.
f) Define bootstrap loader.
g) What is CAM?
h) Draw a block diagram of 4 bit parallel adder.
i) R3←R1 + R2, what is meaning of this operation?

juz-wnuk-dgc
a panacea for all evils. It is the key to solve the various problems of life.
Education has been described as a process of waking up to life:
Waking up to life and its mysteries, its solvable problems and the ways to solve the problems and celebrate the mysteries of life.
Waking up to the inter-dependencies of all things, to the threat to our global village, to the power within the human race to create alternatives, to the obstacles entrenched in economic, social and political structures that prevent our waking up.
Education in the broadest sense of the term is meant to aid the human being in his/her pursuit of wholeness. Wholeness implies the harmonious development of all the potentialities God has given to a human person.
True Education is the harmonious development of the physical, mental, moral (spiritual), and social faculties, the four dimensions of life, for a life of dedicated service.

Aerial photography
Aerial Photography has been defined as the science of taking phototgraphs from a point in the air for the purpose of making some type of study on Earth's Surface.
When the photographs of the earth are taken from atmosphere at an altitude is called Aerial Photography.
The earliest existing photography was taken from a Balloon over Boston in 1960 by J.W.Black.

Clear frame
if a camera's focal length is 152mm and the plane's altitude above ground level is 7600m, find out the scale of the map?
ANSWER:
Given, focal length= 152mm
altitude above ground level= 7600m
Scale or RF = Focal Length / Altitude
= 152mm/ 7600m
= 152mm/ 7600000 (7600*1000)mm
= 1/ 50000
RF 1:50000

THE ARCHAEAN FORMATIONS (PRE CAMBRIAN):
This era is also known as Pe-Cambrian Period.
This is the division of geologic time scale from the formation of the earth to the beginning the Cambrian period of the Paleozoic Era.
This time constitutes about 87% of the earth's history.
The term Archean was introduced by J.D.Dana in 1782, refers to the oldest rock of the earth's crust.
The Archean rocks are all azoic or unfossiliferous. The are thoroughly crystalline, extremely contorted and faulted and practically devoid of any sediment.
They are largely intruded by plutonic intrusions and generally have a well defined foliated structure.
Three well defined types- a) Bengal Gneiss, b) Bundlekhand Gneiss, c) Nilgiri Gneiss.

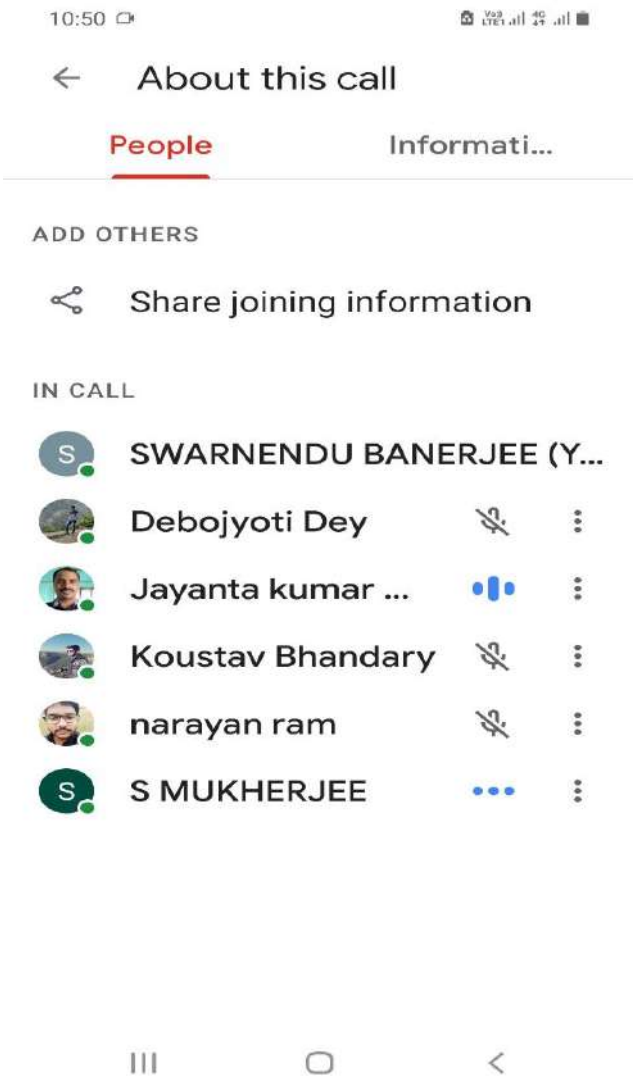
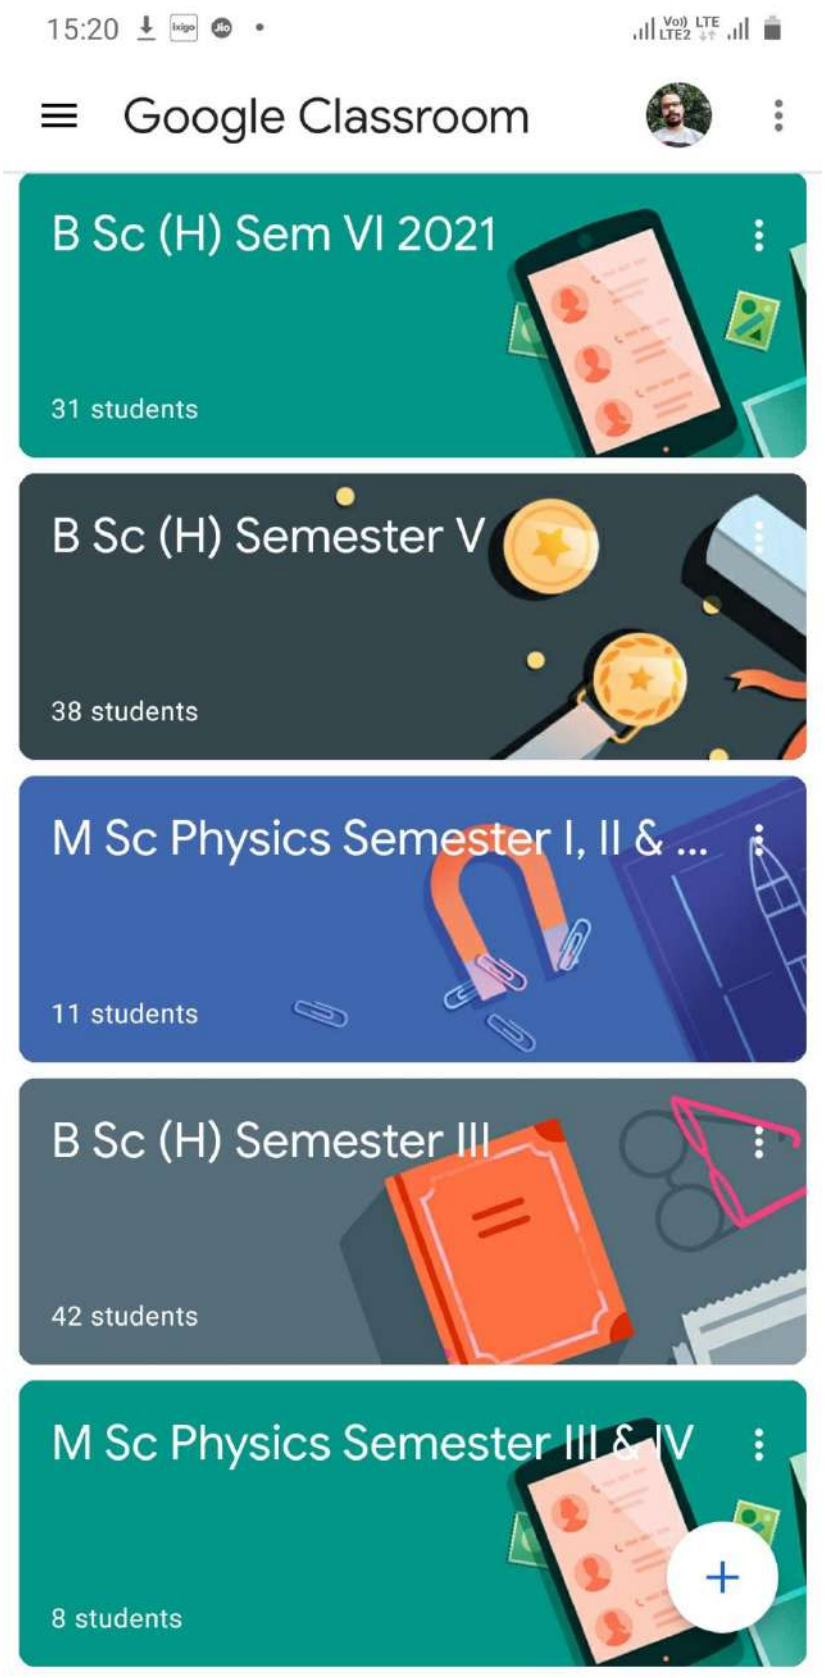
Report of Teaching

Department of Physics, B. B. College

Year: 2021

Department of Physics, B. B. College undergoes teaching through physical, offline and ict-online mode during the year 2021. The Online classes were taken by the teachers through Google classrooms, Google Meet etc. The physical and offline classes were taken during the months of November and December 2021. The evidences on types of teaching are given below:





15:20
Google Classroom

Report on Departmental Activities of Department of Statistics, Banwarilal Bhalotia College, Asansol.

In the year 2021, department of statistics of Banwarilal Bhalotia College had offered the Generic course of statistics. Due to pandemic situation, we had taken classes in online and offline as per government regulation. Online internal and external exams had been taken according to the given instructions by the Kazi Nazrul University. Department also offered an online certificate course for UG and PG students on "Basic Statistics".

Sample screen shots of online classes:

BANWARILAL BHALOTIA COLLEGE ASANSOL

DEPARTMENT OF MATHEMATICS

REPORT SHOWING EVIDENCE ON VARIOUS TYPES OF TEACHING

(Physical, project based, seminar based, ICT-online and offline)

Our department has followed classroom teaching in Offline, Online, and Blended modes. In fact, we have also implemented the Flipped Classroom approach which is the latest and the most effective form of teaching. The students are already provided with the study materials like lecture notes and video files in advance for preparation before the class. Then the students are asked to discuss among themselves what they have studied or understood. This promotes peer-to-peer learning. Thereafter, the entire study material is taught in detail amongst the students taking inputs from the students themselves. This promotes Andragogy which is another paradigm of innovative teaching. This is followed by a concept or topic-wise seminar from the students which has three (3) direct benefits:

(i) Students become well versed with the subject matter,

(ii) Students gain self-confidence among themselves, and

(iii) Students enhance their communication and other soft skills.

Moreover, the students are given the freedom to contact the faculty members at any time. Even in odd hours the students are encouraged to post their queries/doubts through WhatsApp. The respective faculty members respond to them at the earliest possible. This creates a fruitful teaching-learning experience. The department also gives assignments to the students and conducts Quizzes from time to time to promote continuous evaluation and for the assessment of student progress.

The benefits of this type of collaborative and innovative teaching have borne several sweet fruits in the form of our students qualifying in several competitive examinations like IIT-JAM for admission in post-graduate courses at elite institutes in India. Many of our students have also qualified for jobs in the position of officers in PSUs like the SBI Bank PO or Naval Officer in the Indian Navy. The rest of the students are selected for M.Sc. at different Universities based on their high merit in the University Examination.

Following are some of the evidences showcasing the efforts taken by our faculty members:

OFFLINE TEACHING:

SEMESTER II

CORE COURSE-3

Course code: BSCHMTMC201
Real Analysis (Full Marks: 50)

Unit-1: Review of Algebraic and Order Properties of $\mathbb{R}$, δ-neighbourhood of a point in $\mathbb{R}$,Idea of countable sets, uncountable sets and uncountability of $\mathbb{R}$. Bounded above sets, Bounded below sets, Bounded Sets, Unbounded sets. Suprema and Infima. Completeness Property of $\mathbb{R}$ and its equivalent properties. The Archimedean Property, Density of Rational (and Irrational) numbers in $\mathbb{R}$, Intervals. Limit points of a set, Isolated points, Open set, closed set, derived set, Illustrations of Bolzano-Weierstrass theorem for sets, compact sets in $\mathbb{R}$, Heine-Borel Theorem.

One Day International Webinar

Challenges faced by Global Workforce during Pre & Post Covid situation

DATE - 10TH December, 2021

TIME- FROM 2.30 PM TO 6.30 PM

VENUE: VIRTUAL PLATFORMS (Google Meet, YouTube)

Organised by

Department of Commerce (Hindi Shift),

under the aegis of

IQAC, Banwarilal Bhalotia College,Asansol, West Bengal

In collaboration with

Bhartiya Shikshan Mandal

Organizes

INTRODUCTION

This report provides a brief summary of the One-day international webinar organized by Department of Commerce (Hindi Shift), under the aegis of IQAC, Banwarilal Bhalotia College, Asansol in collaboration with Bhartiya Shikshan Mandal (BSM). The webinar titled "**CHALLENGES FACED BY GLOBAL WORKFORCE DURING PRE & POST COVID SITUATION**" held on 10th July, 2021 from 2.30 pm to 6.30 pm by using virtual platforms Google Meet and YouTube. The workshop brought together around 350 participants from different institutions/organizations spread across the globe. The webinar was handled by a team of eminent resource persons. The participants who attended the webinar were professors of different academic institutions, Research Scholars and commerce, management, law and other social science students. The webinar provided an interactive atmosphere between the resource persons and the participants. The webinar was bifurcated into two parts; in the first part there was a panel discussion on Labour Market Trends during Pre & Post Covid situation and second part contained lectures on human right violation during pandemic. E-certificates have issued to the participants who were present in the webinars and duly filled up the feedback form.

WEBINAR OBJECTIVES

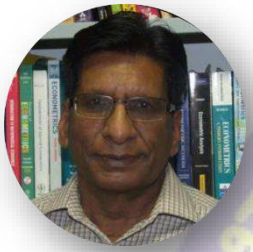
In the webinar discussions and analysis took place on the trends in the domestic as well as global labour market amidst pandemic, human right violation in the work environment during on-going pandemic, government policies and initiatives towards betterment of the situation and so on.

WEBINAR METHODOLOGY

Lecture and Panel Discussion through question - answer session.

PANELIST OF THE PANEL DISCUSSION

Prof. Partha Pratim Sengupta, Professor, Department of Humanities & Social Science, National Institute of Technology, Durgapur, West Bengal, India



Prof. Narain Prasad Sinha, Professor, Department of Economics, University of Botswana, Gaborone, Botswana

Lawal Adedoyin Isola, Research Professor of Economics, Energy & Financial Economics, Landmark University, Omu Aran, Nigeria

Dr. Madhabendra Sinha, Assistant Professor, Department of Economics & Politics, Visva Bharti University, Shantiniketan, West Bengal, India

Dr. Rupam Mukherjee, Assistant Professor, Department of Economics Kavi Sukanta Mahavidyala, Hooghly, West Bengal, India

CMA Dr. S. K. Gupta, Managing Director,

RVO of the Institute of Cost Accountants of India

RESOURCE PERSON

Prof. V. P. Tiwari, Professor of Law at Maharashtra National Law University, Nagpur, Maharashtra, India

Mr. Vikramaditya Rathore, Assistant Professor at Department of Law, Savitribai Phule Pune University, Pune, Maharashtra, India.

FLOW OF THE WEBINAR

On the inaugural day at first all participants including resource persons were welcomed by the departmental head Md Arif Akhter. Then the webinar started with the inaugural speech delivered by the respected Principal (***Dr. Amitava Basu***) of the college. After that Mr. Santanu Mallick, Assistant Professor of the department introduced the panel members. Then ***Prof. Partha Pratim Sengupta*** delivered his lecture on Workforce Challenges and Indian economy; ***Prof. Narain Prasad Sinha*** delivered his lecture on Challenges faced by the global workers in different developed countries all over the world; ***Lawal Adedoyin Isola*** delivered his lecture on Challenges faced by the global migrant workers in different developing countries all over the world; ***Dr. Madhabendra Sinha*** delivered his lecture on Challenges faced by the industrial workers in different developing countries all over the world; ***Dr.***

Rupam Mukherjee delivered his lecture on Challenges faced by the agricultural workers in India all over the world and ***CMA Dr. S. K. Gupta*** delivered his lecture on Challenges faced by the corporate staff during pandemic and work from home situation. Dr. Amalendu Samanta and Ms. Saroj Mahato introduced the resource persons of the second part of the webinar respectively. After that resource person from Bhartiya Shikshan Mandal ***Mr. Vikramditya Rathore*** and ***Prof. V.P. Tiwari*** threw lights on the human right violation issues in the country during pandemic. The discussion of all the panellists and resource persons were very much valuable and were highly appreciated by all the participants. After each technical session interactive sessions took place and these interactive sessions were highly enthusiastic and interesting. These sessions were nicely conducted by the committee members Dr. Amalendu Samanta, Md. Arif Akhter, Mr. Santanu Mallick and Mr. Arnab Ganguly. At the end of the programme vote of thanks was delivered by the all-India Academic convenor ***Dr. Amit Dashora***. After the completion of the webinar Feedback form was distributed among the participants. This report would remain incomplete if the contributions of various dignitaries of college authority and Bhartiya Shikshan Mandal, Seema Singh, National Convenor & Assistant Professor of Law, Campus Law College, Delhi University, Dr. Amit Dashora, All India Academic Convenor, whose continuous support and cooperation made the webinar a grand success, are not acknowledged. All the Certificate of participation and Certificate of Appreciation were duly distributed within 10 days.

ORGANIZERS

Prof. Amitava Basu, Principal, Banwarilal Bhalotia College, Asansol, West Bengal, India

Dr. Amit Dashora, All India Academic Convener, Bhartiya Shikshan Mandal

Dr. Seema Singh, National Convener Law (BSM) & Assistant Professor, Campus Law College, Delhi University, Delhi, India

Mr. Santanu Mallick, Convenor of Webinar & Assistant Professor, Department of Commerce, Banwarilal Bhalotia College, Asansol, West Bengal, India

MD Arif Akhter, Head of the Department & Assistant Professor, Department of Commerce, Banwarilal Bhalotia College, Asansol, West Bengal, India

Dr. Amalendu Samanta, Assistant Professor, Department of Commerce, Banwarilal Bhalotia College, Asansol, West Bengal, India

Miss Saroj Mahato, State Aided College Taecher, Department of Commerce, Banwarilal Bhalotia College, Asansol, West Bengal, India

TECHNICAL HEAD

Dr. Arnab Ganguly, Assistant Professor, Department of Zoology, Banwarilal Bhalotia College, Asansol, West Bengal, India

Evaluation

The statement recorded in feedback forms was extremely positive. The demonstration and the inputs given by the resource persons were highly valued. Participants were contented as they were able to clarify their doubts with the resource persons. They demanded another seminar or webinar in future.

Invitation for Lecture as Resource Person to Observe Constitution Day

SANTOSH BHAGAT <sdbbhagat@gmail.com> Wed, Nov 24, 2021 at 11:41 PM
To: debasishnandy.kc@gmail.com

Respected Sir,

This is to inform you with great pleasure that our College (B.B. College, Asansol) is going to observe Constitution Day on 26th November, 2021 to commemorate the adoption of the Constitution of India. To make the event a grand success, our College invites you to participate and deliver a lecture on the said day.

We are eager to receive you as our valued resource person. Hope to hear from you formally on this soon.

Thanking you

A BRIEF REPORT ON

One Day National Webinar on

Ecosystem Restoration: Striving Towards Sustainability

Celebrating 47th World Environment Day, 2021

Organized by

Department of Geography (Day & Hindi Shift)

Under the aegis of

IQAC, Banwarilal Bhalotia College, Asansol, West Bengal, India

Held on: 05/06/2021

Department of Geography both Day and Hindi Shift, Banwarilal Bhalotia College, Asansol, West Bengal, India have hosted a **one-day National Webinar on the theme " Ecosystem Restoration: Striving Towards Sustainability"** on 5th June, 2021. 5th June is a day to remind the humans that they belong to the environment, which they have been recklessly destroying in quest of material advancement and comforts. We have to act now before it is too late and we cannot expect that the sole responsibility for conserving the environment lies with few environmentalists. Each of us must at our individual level try to contribute our bit in these efforts to protect the environment. The theme for World Environment Day, 2021 is **"Ecosystem Restoration"**. Ecosystem Restoration means assisting in the recovery of ecosystems that have been degraded or destroyed, as well as conserving the ecosystems that are still intact. Restoration initiatives can be launched by the government organizations, stakeholders and development agencies, local communities and even at individual level depending upon the degradation of environment at different scales. In this webinar we attempt to raise environmental awareness for the restoration of ecosystem on sustainable basis, to share different strategies adopted at international, national and regional level for the protection of environment, to explore educational and scholarly solutions for promoting biodiversity in this new normal living and to seek the recommendations on post-pandemic restorative initiatives.

The Summary Report for the Program is as follows:

The webinar held on virtual platform through **Cisco WebEx Meeting App**. The webinar started at 11.00am through **Welcome address** by **Dr. Chandana Singha**, **Head, Department of**

Geography, Banwarilal Bhalotia College, Asansol and Joint Convenor of the Webinar where she greeted the invited speakers and participants. In inaugural session **Dr. Amitava Basu, Principal, Banwarilal Bhalotia College, Asanso**l and **Chairperson** of the Webinar lucidly elaborated the general theme of the webinar and its importance. The first speaker, **Dr. Kushagra Rajendra**, Associate Professor and Head, School of Earth and Environmental Sciences of Amity University, Haryana spoke on the **Topic: "Save Earth or Save ourselves"**. The entire session was an interactive session and the speakers answered many queries raised by the participants. The second speaker, **Prof. Dr. Apurba Ratan Ghosh**, Department of Environmental Science and Ex-Director of UGC Academic Staff College, The University of Burdwan, West Bengal, India deliberated brilliantly on the topic **"Ecosystem restoration, aims at Sustainable Development Goals".** The numbers of registered candidates were **593** from different places and different discipline. The audience in the Cisco WebEx as well as in the You Tube Live Stream thoroughly enjoyed both the lectures and interacted with the speakers through various queries, observations and opinions. Both the question-answer sessions were moderated by **Ms. Sohini Neogy,** Assistant Professor, Department of Geography, Banwarilal Bhalotia College, who was also a **member of the Organizing Committee** for the Webinar. The whole program was anchored in wonderful manner by **Ms. Madhumita Mondal**, **SACT-I** and **Ms. Sayantani Roy, SACT-II**, **Department of Geography, Banwarilal Bhalotia College, Asansol** and also **a member of the Organizing Committee.**

Dr. Manas Pal, HOD, Department of Geography Hindi Shift, proposed the vote of thanks. All the participants expressed their gratitude to the members of organizing committee of a full day national webinar by Banwarilal Bhalotia College for creating awareness on ecosystem restoration. Participants have gained a common understanding of restoration initiative. They are now aware of environmental problems for vulnerable nature and people and have learnt about key principles to make their environment more sustainable-sensitive.
In order to improve the quality and relevance of future webinar, the participants mainly recommended allowing two sessions with two more resource persons for availing more information for the sustainable environment.
