

Report on the Strategic/Perspectivive Plan Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

Below are the various successful tactics adopted by the college. The institution effectively executed orientation and induction programs for first-semester students, informing them about the college's regulations and curriculum. Research activities were actively promoted through participation in international conferences, workshops, edited book volumes, NLIST utilization, and IRINS profile building. The college's NSS, NCC, Scouts, and Guide unit organized several outreach programs to help local communities and instill a sense of social, moral, and civic responsibility among students. The college placed solar panels on campus to decrease reliance on polluting energy sources and encourage the adoption of renewable energy. The Equal Opportunity Cell organized multiple workshops and programs for the benefit of SC, ST, and OBC students as scheduled. The college's Career Counseling and Placement Cell organized awareness programs, counseling sessions, and placement activities to enhance students' career prospects. Another effective technique involved forming partnerships with prestigious institutions, as seen by multiple Memorandums of Understanding (MOUs). The Mentor-Mentee system was effectively implemented across the many departments of the college. The Entrepreneurship Cell "Swavalamban" reached new heights as part of the college's strategy

INDUCTION REPORT 2022 - 2023

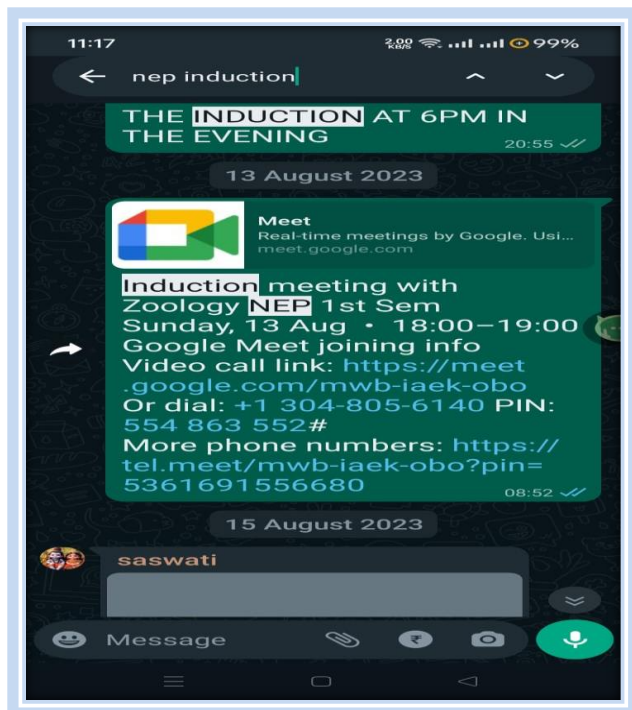

❖ Introduction:

Induction involves introducing the newly enrolled students into the department and make them acquainted with the rules and regulation of the institution. Abiding by this concept an induction meeting (online and offline) has been held by the faculty members of Post graduate Department of Zoology.

Purpose: The purpose of the meeting was to acquaint the new students with the syllabus and scope laid down by National Education Policy (NEP) 2020, it's evaluation pattern and to instill research mindset from the very start. The students were made familiar with the different courses and options so as to aid in their holistic development in the near future.

Guidelines for Individual / Team Projects and Field Reports

The aim of the individual/ team projects is to develop an aptitude for research in Zoology and to inculcate proficiency to identify appropriate research topic and presentation. The topics of individual interest and significance can be selected for the project. Project is to be done by a group not exceeding 5 students. The project report should be submitted on typed A4 paper, 12 font, 1.5 line space in equally bound format and duly submitted by the supervising teacher and the Head of the Department. The list of practical examinations held in a host of new Examinations for End Semester. The project topic based on the project to be conducted individually. Project topic once chosen shall not be repeated by any lower batches of students. The project report may have the following sections: 1) Preliminary (Title page, acknowledgements, certificate of the supervising teacher, consent etc.) 2) Introduction with relevant literature review and objective 3. Materials and Methods 4. Results 5. Discussion 6. Conclusion (Summary 7. References)

Field Study / Study tour

Students have to visit one research institute and one wild life sanctuary / museum / zoo. Scientifically prepared hand-written study report along with photographs of candidate at the places of visit must be submitted by each student and a career prospectus on the day of the examination of project.

Xylem annotation

Students have to develop a short film (2-5 min duration) based on relevant animal topic given solely by themselves along with voice commentary/flooring comments. It will help them to be competent in video documentation of a career prospective too.

Brief Report on “An International Seminar on: Future Prospects of UG & PG Students in Mathematics”

Held on: 1st December, 2022

The Department of Mathematics in association with the Research and Development Cell, and Internal Quality Assurance Cell, Banwarilal Bhalotia College, Asansol-713303, organized an International Seminar on “Future Prospects of UG & PG Students in Mathematics” on 1st December, 2022 from 12PM.

We invited **Dr. Pawan Kumar Gupta**, an International Scientist and Industry Expert from the United States of America. Dr. Gupta is presently a Postdoctoral Fellow in University of Maryland, Baltimore, USA and had held the post of Associate Director, Boehringer Ingelheim, a leading Pharmaceutical Manufacturing Company. Dr. Gupta received his Master's degree in Applied Mathematics from IIT (ISM), Dhanbad, India in 2010, and, Master's & Ph.D. degrees in Mathematics from University of Central Florida, Orlando, USA in 2015 and 2019 respectively. He has immensely contributed to the pharmaceutical research areas like Pharmacokinetics/Pharmacodynamics (PK-PD) modeling and simulation, Radiation Oncology etc. to support drug development.

➤ **A summary of the events in chronological order as they happened on the day of the seminar:**

- The technical session in the Seminar followed by an interactive session. The seminar opened with the inaugural session with a welcome note from the anchor Dr. Dalbinder Kaur who welcomed our Principal Sir, the resource person and faculty members for lightening of the lamp. Thereafter, Principal Sir gave a wonderful inaugural speech to set the right tone of the seminar.

- Next, we had a very lively interactive session between the audience and the speaker Dr. Pawan Kumar Gupta. **Over 90 participants attended the seminar including over 80 students from various disciplines who attended and interacted with Dr. Gupta to clear their doubts and misconceptions of studying/working abroad.**
- At first, Dr. Gupta recollected his wonderful and hard-earned journey from his poor dwellings in a very low-income family in Asansol to an established scientist at USA. He explained how his love and passion for mathematics motivated and inspired him in this pursuit. He then gave a detail on the various competitive examinations after UG and PG.
- After that, a **step wise detailed explanation of the GRE and TOEFL** examination was discussed among the students. The students came up with queries, doubts and worries which were resolved up to their satisfaction. They were also exposed with the various job opportunities.
- After that the floor was open for discussion. Students were given a task of writing Statement of Purpose (SOP) and submit them to Dr. Gupta for evaluation and betterment.

- **A summary of the events in chronological order as they happened on the day of the seminar:** There was one technical session in this Seminar followed by an interactive session. The seminar opened with the inaugural session with a welcome note from the anchor who also introduced the speaker. The speaker delivered his lecture and next the moderator as well as the convenor of the seminar made a few comments and raised a

question. Next, we had a very lively interactive session between the audience and the speaker. Thereafter, one of our joint secretaries presented the vote of thanks and formally concluded the seminar.

Around 77 people attended the seminar. The seminar was conducted with active and unconditional efforts of all our esteemed committee members (as provided in the brochure). The response of the audience was encouraging as they raised several pertinent questions and came up with interesting comments. The respected speaker responded to all the questions and queries with elan. Although the focus of the seminar was on the literary studies, it turned out to be an interdisciplinary affair as the speaker explicated the possibilities of combining archival and ethnographic methods in research. Nevertheless, Dr. Sadhukhan warned us against the pitfalls and excesses of interdisciplinary research.

Abstract of the talk:

“Free and Open source softwares (FOSS) have many advantages from cost, complexity, flexibility, security and innovative applications. More and more applications and usage are coming up fast, those can be used for Higher Education Institutions for teaching and research purposes. Together with Open-source software, another important aspect for the educators is the use of Open-source hardware, again with multiple advantages, most important being cost and flexibility. The presentation would consist of an introduction to open-source Software and Hardware, how to procure/ install them, their advantages and opportunities in HEI.”

The Research and Development Cell, in association with Internal Quality Assurance Cell, Banwarilal Bhalotia College, Asansol-713303, organised a Seminar on “One-day Seminar on the theme “Research Methodology- SOURCES FOR RESEARCH GRANTS AND RESEARCH PROPOSAL” on 27th June, 2023 from 1PM.

We invited **Dr. Arindam Biswas**, Associate Professor, School of Mines and Metallurgy, HOD (Addl Charge) Department of Computer Science & Engineering, Kazi Nazrul University, Asansol to speak on SOURCES FOR RESEARCH GRANTS AND RESEARCH PROPOSAL.

Abstract of the talk:

Research funding is defined as a grant obtained for conducting scientific research generally through a competitive process. To apply for grants and securing research funding is an essential part of conducting research. In this talk, we will discuss why should one apply for research grants, what are the avenues for getting research grants, and how to go about it in a step-wise manner. We will also discuss how to write research grants and what to be done after funding is received.

Abstract of the talk:

Raman effect, which was awarded for the first time and up to now the only Nobel prize in Physics in India, was announced to the press by Sir C V Raman on the day of 28 February, 1928. This very important and fundamental discovery was found to have its applications not only in Physics, but also in Chemistry, Biology, Materials Science, etc. The basic principle of the phenomenon considering the structure and symmetry of the molecules will be discussed before the students on the day of presentation.

बीबी कॉलेज और नेहरू युवा केंद्र में सफाई अभियान

संवाददाता, आसनसोल: आसनसोल के घाघर बुढ़ी के निकट बीबी कॉलेज एनएसएस यूनिट और नेहरू युवा केंद्र की ओर से संयुक्त रूप से क्लीन इंडिया अभियान के तहत साफ-सफाई की गई। बीबी कॉलेज एनएसएस यूनिट के मेंटर सुकुमार दे के नेतृत्व में मंदिर परिसर और काली पहाड़ी के निकट सफाई की गई और मंदिर में आने वाले दर्शनार्थियों से भी

अनुरोध किया गया। मंदिर के बाहर फेंके गये प्लास्टिक, कागज की सफाई की गई। इस अवसर पर बीबी कॉलेज के प्रोफेसर डॉ. अनीमेष मंडल ने बताया कि घाघर बुढ़ी मंदिर में दूर-दराज से लोग पूजा के लिए आते हैं। यह एक दर्शनीय स्थल भी बन चुका है। हालांकि कुछ लोग इसे गंदा करके चले जाते हैं। बीबी कॉलेज के डॉ. सोमा चक्रवर्ती, डॉ. चंदना सिंह, सायाल गांगुली इस मौके पर उपस्थित रहे।

Installation Report of 85000 kW roof top Solar Power Plant

At a solar plant, the sun's energy is directed and used to create environmentally friendly power. India has a restricted reserve of non-renewable sources of energy, and the nation is intensely

subject to imports to meet its energy needs. Solar power can diminish India's reliance on non-renewable sources of energy, which can assist with lessening the country's energy import bill.

Benefits of solar energy :-

1. Solar energy is clean & green energy
2. Not dependent on other sources of Energy
3. Non-maintenance
4. Safer than Other
5. Renewable Energy
6. Electricity Bill Reduction

7. Maximum Usage
8. Technology Development

Altogether, the use of solar panels helps us save electricity and get rid of huge electricity bills just by utilizing the natural energy resource i.e. Sun.

Solar Power Generating Systems (SPGS) were installed on rooftops of Science building, Arts building, Administrative building & Hindi shift building. The plants were established by **Starc Energy Solutions Pvt. Ltd.** **OVERALL CAPACITY: 85000kW/ 154 Modules / 4 Invertors /..... Unit Per Day Generation.** The Roof top 400KW Solar Power Plant at SKIT was inaugurated on Tuesday, 23rd Dec., 2023 by the Honourable MP, Shri Shatrughan Sinha.

The specifics of the plant are as follows:-

SPGS of 20 kW

Solar Module Model No. : 144MF-SPV module 545wp

Make: Sova Solar

No. of modules: 36

[Pursuant to our engagement by _____ [name of Eligible Consumer], we have inspected the above captioned SPGS on _____] "or" [I / We, [name of the Eligible Consumer], have carried out the test in presence of representatives of CESC Limited on].

Upon such inspection it is hereby certified that the SPGS with installed capacity of 20 kW, manufactured by, conforms to the specifications mandated by the West Bengal Electricity Regulatory Commission (Cogeneration and Generation of Electricity from Renewable Sources of Energy) Regulations, 2013as amended by the First Amendment Regulations, 2020 (hereinafter for brevity's sake referred to as 'the Regulations'). In particular and without prejudice to the foregoing, the said SPGS conforms to correct operation of islanding, generation of harmonics and other Power Quality parameters as per limits specified in the Regulations. The SPGS is found to be technically fit and suitable for connectivity with the distribution network of the Distribution Licensee.

This certificate is valid for a period of one year and is subject to periodic renewal. The validity of this certificate is further subject to operation, maintenance and rectification of any defect in the SPGS in a manner which ensures that its connectivity does not pose any threat or damage to the distribution network.

Sub- Celebration of World Environment Day and organization of different events under Mission LiFE – 2023- Reg.

Madam/ Sir,

With reference to the letter no F. No. P. 32-1/ NSS/ DTE/ 2023/ 269-284 dated 1.05.2023 received from Directorate of NSS, New Delhi (Enclosed) on the subject cited above you are aware of the fact that every year 5th June is celebrated as World Environment Day throughout the Country with much enthusiasm. All the NSS Units of West Bengal with their NSS volunteers observe World Environment Day in a grand manner every year. In this context this is to inform you that Hon'ble Prime Minister of India has launched the "Mission LiFE" campaign on 20th October, 2022 to bring individual behaviors at the forefront of the global climate action narrative. Mission LiFE is India's global initiative to combat climate change and promote sustainable living to achieve the UN's Sustainable Development Goals.

Therefore, you are requested to organize of different programmes under Mission Life during the Month of May 2023 as a part of preparation of celebration of World Environment Day to be organized on 5.06.2023. As per NSS Manual it is mandatory for all the NSS Units to observe World Environment Day by organizing the following suggestive activities as mentioned below. Further, all the NSS Units also have to organize the suggestive programmes related to Mission LiFE in the month of May. **It is compulsory for to use the Logo of Mission Life in every Programme of NSS in May & June, 2023.**

List of Suggestive activities:

1. To organize various Programmes related to the objective of Mission Life.
2. To organize Seminar/ Webinar, to create awareness on Mission Life.
3. To organize field activities like door to door campaign, classroom lecture, awareness campaign on Mission Life.
4. To organize Oath ceremony on 5.06.2023 on the occasion of World Environment Day.
5. Tree Plantation.

1. Background

Anand Girls' College is 'A' accredited by NAAC and prestigious college in the industrial belt of Anand, Panchet Bardhaman district, West Bengal, India. It offers undergraduate courses in arts, commerce and sciences. It came into existence in 1911 mainly as a result of untiring effort of Dr. Lala Mohan Sen, the first CSD, minor lord of health and his worthy consort Smt. Kancha Sen. Initially, the College was affiliated to the University of Calcutta. After Bardhaman University started to become affiliated with that university and now, the college has been affiliated to Kazi Nazim University. During the difficult years of its adolescence, the college was fortunate to have Dr. Anjali Ray as its principal. This is a premier college for highest academic standards, different educational programs, good faculty, and various co-curricular activities and modern infrastructures. The College provides hostel facility to the students from distant places. There are two hostels - Unit I (Anjali) and Unit - II (Nivedita). Today, it has become high spread institution for learning.

Established in 1944, Barwardai Bhadra College (popularly known as B. B. College in the local vicinity), presently affiliated to Kazi Nazim University, Anand, India is one of the leading educational institutions in the area, providing both general and technology-based education. The college boasts of a beautiful campus, spacious classrooms, well-equipped laboratories, state-of-the-art computing facilities, well-stocked libraries and a large playground. It offers undergraduate courses in various subjects of Arts, Commerce and Sciences streams (Both Honours and General). The three Departments of Physics, Zoology and Hindi are presently running postgraduate courses too. The college, in keeping with the changing needs of the students, has introduced courses like BBA, BCA and more Departmental Training & Certificate Courses like Dry Farming, Vermicomposting, Mobile Repairing, Mushroom Cultivation, Sericulture Training, Soil/Water Analysis etc. Under the guidance of our extremely dynamic Principal Dr. Amitava Basu, we are very much hopeful that B. B. College will be able to nurture generations of enthusiastic learners in the years ahead. In 2010, B. B. College was declared as a 'Centre with Potential for Excellence' by UGC, a rare achievement of proud. Subsequently, in January 2020, the college has been re-accredited (Cycle 2) by the NAAC with a grade of B+

1. Background

Fakir Chand College at Diamond Harbour, West Bengal, India, is a Liberal Arts, Science and Commerce College, situated nearly 50 kilometers from Kolkata. It is affiliated with the University of Calcutta. It has 194 teaching staff, 54 support staff and more than 7,300 students. It is the oldest and largest college in the South 24 Parganas district of West Bengal. Recently, in November 2016, it has been accredited with a B++ grade by the National Assessment and Accreditation Council (NAAC), under UGC, MHRD, Govt. of India. There

are three streams of study in the College: arts, science and commerce. The College is a study centre of W.N.U. and Netaji Subhas Open University. The College has one N.E.C. and two N.S.S. units. It also has a B.Ed. Section and Post Graduate Section offering M.A./M.Sc./M.Com. courses under the University of Calcutta. Fakir Chand College has remained a vanguard of education in this remote corner of West Bengal. The Institution boasts of a 74-year-old heritage imparting education to the largest number of students in the district. The splendid climate and scenic beauty of the place located at the confluence of the River Hooghly and the Bay of Bengal provide an ideal ambience conducive to the pursuit of higher education. Public transport arrangements are capable of meeting the needs of the students.

Established in 1944, Banwarilal Bhalotia College (popularly known as B. B. College in the local literacy), presently affiliated to Kazi Nazim University, Asansol, India is one of the leading educational institutions in the area, providing both general and technology-based education. The college boasts of a beautiful campus, spacious classrooms, well equipped laboratories, state-of-the-art computing facilities, well-stocked library and a large playground. It offers undergraduate courses in various subjects of Arts, Commerce and Science streams (both Honours and General). The three Departments of Physics, Zoology and Hindi are presently running postgraduate courses too. The college, in keeping with the changing needs of the students, has introduced courses like BBA, BCA and some Departmental Training & Certificate Courses like Dry Farming, Yarn-spinning, Mobile Repairing, Mushroom Cultivation, Sericulture Training, Soil/Water Analysis etc. Under the guidance of our extremely dynamic Principal Dr. Anindita Das, we are very much hopeful that B. B. College will be able to nurture generations of enthusiastic learners in the years ahead. In 2010, B. B. College was declared as a "Centre with Potential for Excellence" by UGC, a rare achievement of great. Subsequently, in January 2020, the college has been re-accredited (Cycle 2) by the NAAC with a grade of B+.

This Memorandum of Understanding ("MOU") is to promote academic linkage between the two institutions and facilitate their development of collaborative and mutual programmes that will enhance the intellectual life of both institutions, contribute to increased cooperation and promote mutual understanding. Banwarilal Bhalotia College, Ansaul, West Bengal and Ansaul Society for Social Welfare & Youth Empowerment are linked by common social, academic and youth development interests and seek to develop collaboration in fields of shared interest and expertise. The activities undertaken pursuant to this Memorandum of Understanding (MoU) are based on a spirit of cooperation and reciprocity that is intended to be mutually beneficial to both the Institution and the Society.

➤ Background

Assam Society for Social Welfare and Youth Empowerment under initiative of Sister Florence, former Principal and founder of St. Mary's Girls' High School, Assam and President of World's largest Youth organization Bharti Scouts and Guide Assam Branch and with the help of Mr. Ananta Das, Assam Municipal Corporation started its journey with Mr. Anu Bhattacharya. Mr. Anu Das is energetic youth member since the year 2013. The Society was registered under Registration of Societies West Bengal Act XXVI of 1961- 2021/704 49418 of 2015-2016 on 22nd January 2016. Now it is also affiliated under NEHRU YUVA KENDRA, Dargapuri, Ministry of Youth Affairs and Sports, Government of India (Certificate No-6218-2345). Sister Florence observed that the youth of this industrial area had were diverted towards social activities and had lack of interest in physical exercise, sports, participation in cultural programs, and awareness for different competitive examinations for their future. She realized that involvement of youth in Swimming, Taekwondo, Swimming, Shooting and other different advanced activities will help them to change their mental and spiritual sense and develop their self-confidence and self-dependence. Such quality development will help them to get success in any field. The organization was established with the aim of promoting good and healthy practice in every youth. At present the society has a good number of active youth members. All of them regularly participate in different cultural programs, sports, yoga, singing, camps, and advanced camps through this organization. Dr. Ananta Das, Principal, Barsovali Bhalola College, Assam, showed his immense support towards this society and he always encourages the students to join the society as active participants. He also provided an office room to this organization within college campus. The society plans to organize more counseling programs and camps in college premises as a helping hand for the youth members. The organization is growing day by day through its variable active performance in the youth community.

Established in 1944, Barsovali Bhalola College (popularly known as B. B. College in the local fraternity), presently affiliated to Kani Nazim University, Assam, India is one of the leading educational institutions in the area, providing both general and technology-based education. The college boasts of a beautiful campus, spacious classrooms, well-stocked laboratories, state-of-the-art computing facilities, well-stocked library and a large playground. It offers undergraduate courses in various subjects of Arts, Commerce and Science streams (both Honours and General). The three Departments of Physics, Zoology and Hindi are presently running postgraduate courses too. The college, in keeping with the changing needs of the students, has introduced courses like BBA, BCA and some Departmental Training & Certificate Courses like Dry Farming, Vermi-composting, Mobile Repairing, Mushroom Cultivation, Sericulture Training, Soil-Water Analysis etc. Under the guidance of our extremely dynamic Principal Dr. Ananta Das, we are very much hopeful that B. B. College will be able to nurture generations of enthusiastic learners in the years ahead. In 2019, B. B. College was declared as a "Centre with Potential for Excellence" by UGC, a rare achievement of proud. Subsequently, in January 2020, the college has been re-aacsbited (Cycle 2) by the NAAC with a grade of B+

MEMORANDUM OF UNDERSTANDING

Between **Banwarilal Bhalotia College** & **Estuarine and Coastal Studies Foundation**

This Memorandum of Understanding ('MoU') is made and entered into on this 7th day of June 2023 by and between the **Banwarilal Bhalotia College, Asansol** (G.T. Road, Ushagram, Asansol-713303) and the **Estuarine and Coastal Studies Foundation** (Registered Address: 10/5 Amrita Pyne Lane, Dist-Howrah, West Bengal Pin-711101; Correspondence Address-111+112 Deshapran Sashmal Road, Dist-Howrah, West Bengal, Pin-711101).

1. Purpose & Scope

The purpose of this Memorandum of Agreement is to set forth the terms and conditions, scope of work and responsibilities of the parties associated with their collaboration on various inter-disciplinary research and education related to estuarine and coastal studies. The 'MoU' will remain effective for 5 (Five) years from the date of signing. Research and educational programs would be conducted as and when required, either at the Banwarilal Bhalotia College, Asansol or at the Estuarine and Coastal Studies Foundation, Howrah or both the places combined on the basis of mutual consent. The 'MoU' may be extended or revised after every 5 (Five) years on mutual discussion between the two Institutes viz. Banwarilal Bhalotia College, Asansol and Estuarine and Coastal Studies Foundation. Introduction of research and educational initiatives and progress thereupon would be reported to Internal Quality Assurance Cell (IQAC) of the Banwarilal Bhalotia College, Asansol and the Director, Estuarine and Coastal Studies Foundation on a regular basis.

2. Financial arrangements:

No financial commitment is required / involved to execute the terms and conditions of the MoU. In case of any joint exercise if financial assistance received as extramural grant / scholarship / fellowship to students / researchers / faculty members of the Banwarilal Bhalotia College, Asansol and Estuarine and Coastal Studies Foundation, then that will be duly audited and acknowledged.

3. Terms and conditions:

It is mutually understood and agreed by and between the Banwarilal Bhalotia College, Asansol and the Estuarine and Coastal Studies Foundation that:

1. Scientists / Faculty members and students (UG and PG) of the Banwarilal Bhalotia College, Asansol and the Estuarine and Coastal Studies Foundation may collaborate in various inter-disciplinary research activities and may seek research funding from government and private funding agencies of national and / or international repute.
2. Scientists / Faculty members of the Banwarilal Bhalotia College, Asansol and the Estuarine and Coastal Studies Foundation may mutually use and share research and education facilities on the basis of mutually agreed costs and / or bench fees and may jointly supervise projects / dissertations / thesis work of UG and PG students.
3. Scientists / Faculty members of the Banwarilal Bhalotia College, Asansol and the Estuarine and Coastal Studies Foundation may mutually conduct professional course / training / workshop / seminar / webinar / conference / field study for which certificates will be jointly issued by the Banwarilal Bhalotia College, Asansol and the Estuarine and Coastal Studies Foundation to all the candidates after successful completion of the same.
4. Intellectual Property Rights framework for data sharing will be monitored jointly by the Banwarilal Bhalotia College, Asansol and the Estuarine and Coastal Studies Foundation in connection to the output of the research work.

BANWARILAL BHALOTIA COLLEGE

5. In case of any dispute resulting from or related to this MoU, the Parties agree to attempt to resolve such dispute amicably, and shall escalate within their respective organizations, any such dispute. This MoU shall be governed and construed according to the laws of the country for each participating party. Any dispute would be jointly resolved by involving the Principal of the Banwarilal Bhalotia College, Asansol and the Director of Estuarine and Coastal Studies Foundation in a spirit of independence, mutual respect, and shared responsibility.
6. The MoU may be terminated by either party after giving a notice of six months (180 days) provided that this clause will be operative only if either party violates the terms of MoU or if the parties feel that no useful purpose would be served by further continuing it either due to change in circumstances or change in constituting parties.

POST GRADUATE DEPARTMENT OF ZOOLOGY

CRITERIA 2.3.2

STUDENTS MENTORING SYSTEM

The Post Graduate of Zoology, B. B. College, Asansol offers a dynamic mentorship system for the benefit and advancement of departmental students in accordance with the general rules issued by UGC and the college authority. Students are separated into groups for each semester, and a faculty member is designated as the mentor for a certain group. In this regard, the Department notifies students well in advance. Every mentor attempts to reply to the concerns brought up by the respective students. But, if necessary, students are also encouraged to speak with other faculty members about their issues outside of their mentor. The Department's mentorship program has received high marks from the majority of students.

Part - Internal Question paper

6000 Semester - V

- What is resolving power of microscope?
- Where is E. coli found? Hab & function.
- Distinguish between communicable and non-communicable disease.
- Importance of viral test and PCR?
- Differentiate between type 1 and type 2 hypersensitivity.
- Parvovirus anaemia - short note.
- Difference between innate and adaptive immunity.
- Write down the origin of T-cell and B-cell.
- Write down the full form of HEPA filter and its importance in culture.
- Write down two difference between IFM and SFU.
- What are the two life forms of Leishmania? Write down the cause of amoebiasis.
- Write down two Good laboratory practice.

- ① Resolving Power → ① It is the capacity of an optical system to show the distinct images of points lying very close together.
- ② The Resolving power of unaided human eye is 0.1mm. So, it can distinguish the object size up to 0.1 mm.
- ③ The Resolving power depends on the wave length (λ) light and the numerical aperture of objective lens.
- ④ The resolving power of a microscope is defined as the reciprocal of the distance between two objects which can just be resolved when seen through the microscope.
- ⑤ The resolving power of minimum distance existing between two points in the object when the object can still be separate an another object.

$$\text{The Resolving power} = \frac{1}{\Delta d} = \frac{2 \mu \sin \theta}{\lambda}$$

1. Answer any Four 4x2=8

- What is GEP?
- Define Sporadic Pest with example.
- What is Athermetabolus?
- What is Hypermetabolus insect?
- Write the common and scientific name of two insects of no metamorphosis model.
- Define cryoprotectant and mention its function in Diapause.

2. Answer any Four 4x4=16

- Briefly describe the type of metamorphosis with suitable diagram.
- What is ETL? What does EIL = $\frac{C}{VID}$ actually mean in IPM?(2+2)
- What is Hexamerin? State the difference between Dormancy and Quiescence.(2+2)
- What is Imaginal molt and Metamorphic molt? Write the role of US protein and Krhl gene in metamorphosis. (2+2)
- Define EIL. What are the limitations of IPM in India? (1+3)
- Define Diapause. State the dual role of sorbitol to maintain diapause.(1+3)

3. Answer any two 2x8=16

- What is Metamorphosis in insect? Briefly describe the endocrine control of metamorphosis in insect. State the role of Broad Complex in maintaining metamorphosis. (1+4+3)
- Define IPM. Mention the Principle of IPM. State the difference between Major pest and Minor pest. What should be the goal of an IPM program?(2+3+1+2)
- State the difference between Diapause and Hibernation. What are the factors controlling diapause in insect? Briefly describe the endocrine control of Diapause. (1+4+3)

ANSWERS

3.a) Metamorphosis :- The developmental process by which a 1st instar immature stage transformed into adult, is called as metamorphosis.

Endocrine control of metamorphosis in insects :-
There are three major types of hormone which are controlled the insect metamorphosis, these are :-

- Prothoracicotropic hormone (PTTH)
- Ecdysone hormone.
- Juvenile hormone.

① PTTH : Molting is initiated in the brain, where neurosecretory cell secrete PTTH in response to neural, hormonal and environmental factor. PTTH is a peptide hormone with molecular weight of 4K and 3K PTTH. PTTH induces prothoracic gland to produce ecdysteroid or ecdysone hormone.

② Ecdysone : Ecdysone or 20 hydroxyecdysone initiates growth and molting. There are two types of ecdysone hormones present in the insect body : α -ecdysone and β -ecdysone, which favour the development of adult characters and initiates molting process and differentiation of body tissues.

③ Juvenile hormone : Median Neurosecretory cells secrete Allotopic hormone (ATH) which stimulates the corpora Allata to secrete juvenile hormone. There're five variants : JH-I, JH-II, JH-III, JH-O, ISOJH-O. JH-III promotes the larval development and inhibit the development of adult characters.

Role of Broad Complex in maintaining metamorphosis :-
JH maintains the status-quo of larval-larval molt by binding with Met protein, which activates the Krhl gene. Activated Krhl gene inhibits the activation of broad complex. In the presence of JH, during a molt ensures that the result of that molt produce another instar, not a pupa or an adult.
PTTH, in turn, induces prothoracic gland to secrete ecdys

Detailed Report on Entrepreneurship Development Cell – Swabalamban, Banwarilal Bhalotia College, Asansol

On 15th July, 2022, Entrepreneurship Development Cell - Swabalamban was established to support women entrepreneurs of Asansol and its adjacent areas and to promote entrepreneurship among students. Dr. Abhik Kumar Mukherjee, Assistant Professor, Department of Business Administration, The University of Burdwan, Dr. Gautam Mazumdar, National Resource Person, National Rural Livelihood Mission (NRLM), Government of India, Mr. Uttam Laha, Industrial Development Officer, District Industries Center, Paschim Bardhaman, Mr. Soumen Chatterjee, President, Asansol Merchants Chamber of Commerce & Industry, Mr. Sambhu Nath Jha, Honorary Secretary, Asansol Chamber of Commerce were present as chief guests in the inauguration ceremony. Both Asansol Merchants Chamber of Commerce & Industry and Asansol Chamber of Commerce had assured us of all possible assistance to make this endeavor a success. The Department of Commerce (Hindi Shift) is mainly looking after its operation. All the faculty members are working by putting every effort towards achieving its goal. Our faculty Dr. Santanu Mallick is currently the coordinator of this cell. The cell has made a collaboration with The Global Links Initiative (TGLI), a cross cultural training program for promoting entrepreneurship among women entrepreneurs and students by providing social entrepreneurial skills among them. It is mainly operating in the developing countries like Iraq, India and Brazil. We even got financial assistance from Rotary Club, Asansol and they promised to provide financial support in the future also. On 13th December, 2022, the entire team of The Global Links Initiative (TGLI) had visited our college, where they met with the women entrepreneurs and students of our college. Prof. Sharmistha Banerjee, Professor, Department of Business Management, University of Calcutta, Prof. Arijita Dutta, Professor, Department of Economics, University of Calcutta interacted with the women entrepreneurs and gave a patient hearing to their problems. They made a presentation about The Global Links Initiative. The cell has organized several workshops and seminars on Entrepreneurship. On that very day, an exhibition was organized in the college premises on behalf of the Entrepreneurship Development Cell - Swabalamban. Three of our associated women entrepreneurs have participated in the Product-Poster Exhibition in the University of Calcutta on the occasion of ICSSR sponsored Two days National Level Seminar on SIGNIFICANCE OF ENTREPRENEURSHIP IN THE SUSTAINABLE ECONOMIC DEVELOPMENT OF INDIA under the theme 'Azadi Ka Amrit Mahotsav' on 19th & 20th January, 2023. They have attended one workshop on "Inexpensive Traditional Marketing for Micro Entrepreneurs" at the University of Calcutta. The speaker was Dr. Dev Narayan Sarkar, Sales, Strategy and Franchise Director, (India, Nepal Bhutan & Sri Lanka), PepsiCo India. Currently 20 women entrepreneurs and 35 students from the

Department of Commerce (Hindi Shift) and Department of Economics have registered with The Global Links Initiative (TGLI). On 21st of February, 2023, 13 students and 2 women entrepreneurs went to Kolkata to meet Dr. Mary Conway Dato-on, Faculty Director, The Global Links Initiative (TGLI). Our students made their presentation about the business of their assigned entrepreneurs at the University of Calcutta, Alipore Campus. Dr. Mary Conway Dato-on, Faculty Director, The Global Links Initiative (TGLI) has chaired the session and appreciated our students' efforts. On 23rd February, 2023 two of our associated women entrepreneurs participated in the products held on American Centre, Kolkata. On 24th February, 2023 a workshop on subsidized financial assistance provided by MSME held in college. The Entrepreneurship Development Cell – Swabalamban has several activities and initiatives set up in the near future as it strives to attain greater heights.
