

❖ **Workshops, Seminar and Hands on training organized by the Entrepreneurship Development Cell – Swabalamban for students to inculcate the entrepreneurial mindset among the students**

**1. Chocolate making workshop on 6/2/24:**

A workshop for the students was organized by **Entrepreneurship Development Cell – Swabalamban** on **6<sup>th</sup> February, 2024 (Tuesday)** to develop chocolate making skills among the students. The theme of the workshop was to make designer as well as flavored chocolate etc. 35 students from different departments had made their registrations for the programme. 27 students were selected to participate in the workshop. The workshop was inaugurated by the respected principal of the college. Priyali Sen & Soma Sen acted as the resource person of the workshop. There was a registration fee of Rs. 150/- for the workshop and the materials required for the workshop were brought by the resource person. Apart from training about the making of the chocolate items, the commercialization process of those décor items was also discussed. The participants have received **Certificate of Participation** after completion of the workshop.
