Online Education

1. Does all programs/courses were completed on time.	Yes		
2. Measures taken to complete the syllabus of courses and programs.	<p>The institution has generated an organised mechanism for well-planned curriculum delivery and its subsequent documentation. In this regard, the affiliated university, namely, Kazi Nazrul University, Asansol, designs separate syllabi for UG and PG courses as per the subjects offered by our college. At the beginning of each academic session, the Routine Committee, following the guidelines of IQAC, provides the Master Routine for each department and shift simultaneously. It is on this basis that each department prepares its respective timetable. Under the supervision of HODs/Shift in-charge, individual departmental meetings are held wherein syllabuses are distributed among the departmental teachers. The departmental timetable and the total number of assigned classes for each teacher are presented before the Routine Committee that is further forwarded to the Principal via the IQAC Coordinator after accurate analysis. To ensure smooth completion of the syllabus within the given time frame, teachers prepare their lesson plan as per the assigned topics and submit the same to the IQAC, ensuring a periodic assessment. During the pandemic situation, i.e. during the onset of COVID-19, classes were thoroughly conducted on online platforms like Google Meet or Classroom, Zoom meetings, Webex meetings, and others. The study materials, and video recordings of the classes taken were circulated via WhatsApp groups and Google Classrooms or were uploaded to the college website and in the respective YouTube channels of teachers. In order to gauge the progress of the students, several assignments were also taken whose detailed records were methodically maintained. A multitude of departments like Mathematics, Physics, Chemistry, Commerce, Geography and History organized special lectures and webinars which were highly beneficial for the students and kept them highly engaged during the impasse. To ensure an effective teaching-learning mechanism, the college maintains constant access to five well-stocked open-access central libraries and nineteen departmental/seminar libraries equipped with more than 60,000 copies of text and reference books and twelve hard copies of journals/ periodicals, two newspapers, online subscription of a wide gamut of e-journals like NLIST and database like SOUL 2.0. Additionally, an array of subject-specific teaching methods, be it conventional (chalk and blackboard method, group discussions) or advanced (ICT enabled mechanisms, presentations, excursions), are incorporated for adequate understanding of students. Special talks by experts of surrounding colleges are also arranged for better development of students. To keep track of the improvement of the students, regular class tests and assessments in practical classes are conducted. Remedial and tutorial classes are carried out for students needing special attention. The needs of the students are highly taken care of, and the outcomes of the departmental proceedings are rigorously recorded that the college administration keeps a vigilant eye on. Furthermore, the administration also preserves records of diverse events of the college pertaining to teaching-learning, development and improvements of various procedures of effective curriculum delivery. After careful scrutiny of the end semester examination results and feedback from all concerned, a concrete decision formulated as to how to improve and proceed with the next academic session.</p>		
3. The period of delay in completion of syllabus (in months).	0		
4. The period of delay in conducting exams (in months).	0		
Portal Name	No. of students offered online courses which have credit transferred to transcript	Total no. of online courses which have credit transferred to the transcript	Total no. of credits transferred to transcript
