

The institution is firm in its belief in the development of true faith in the Indian constitution and its associated obligations, i.e., the values, rights, duties, and responsibilities of Indian citizens. The teaching fraternity, non-teaching staff, and student community are regularly educated on these issues throughout the year.

In this context, the college has organised webinars and has given due importance to the participation of all staff and students in the webinar. From time to time, several activities have also been taken up by the NSS and NCC units of the college, thereby strengthening the faith of all associated with the institution in the constitution and the associated obligations stated above.

The college will observe Constitution Day on November 26, 2021. On this occasion, talks were delivered by Prof. Falguni Mukhopadhyay (Principal-BC College, Asansol) on the topic "Significance of the Indian Constitution: Today and Tomorrow", Dr. Anil Kumar Biswas (Political Sc. Dept, BU, WB) on the topic "The Philosophy of the Indian Constitution", and Dr. Debasish Nandi (Pol. Sc. Dept, KNU, WB) delivering a talk on "The Reflection of Constitutional Spirit in India's Foreign Policy".

In this context, the NSS unit of the college organised several activities, thereby reminding us of our duties and commitment towards society. These activities also remind us that all of us have a defined role towards the alleviation of social inequality and poverty, and we can't win unless everybody wins. The various programmes that were taken up by the NSS unit include:

- Cultivation of Tasar Silk Cocoons by engaging the tribal women of the college-adopted village (Namo jamdoba)
- Creating sanitizer for distribution in college communities during the COVID pandemic
- Earn while you learn programme for female students to help them become self-sufficient (making jewelry).
- Cultivation of high-value medicinal plants in the college campus and the adopted village, Observation of Aranya Saptaha,
- Organizing Blood Donation Camps.

Our NCC (National Cadet Corps) unit has exhibited tremendous activity over the years. Students who enrol as cadets actively participate in multiple adventure trainings like in para-sailing, para trooping, mountaineering, horse riding, swimming etc. The trained and committed cadets help us organise many programmes. Their discipline, commitment and ability to take and follow orders is highly educative for others.
